ACKNOWLEDGEMENT

I wish to express my appreciation and gratitude to my supervisor, Dr. Rohana Jani for her valuable assistance, guidance and positive criticisms in making this research paper a reality. I thank Professor Chew Seng Buan, for allowing me to use the data obtained from the survey conducted for the study on “Transition from School to Work”. I thank Mr. Kuppusamy Singaraveloo for his help in providing the data.

I wish to thank my employers, Inti College, Subang Jaya, in particular Dr. Yap K.S, Head, Department Of Science and Mathematics for his support and encouragement.

I dedicate this research paper to my parents for their sacrifice in the early years of my education. I thank them for their constant love and support.

I wish to thank my friends and colleagues who have assisted me in some way or other throughout the duration of this research paper.
