P right.
C <who^>
C <the only thing> we will regret and appreciate only what they have done it in the past.
P ya I know.
C [so](DEL) I don't know(DEL) I don't know(DEL) but I got no complaint about the mothers.
P I have one complaint about my mother.
C ya what is that?
P m the complaint is me.

P ya.
C you see what^<right^>
C <you know> [w+] I don't know(REP) they're mother^
P mhm.
C ah they're normally okay but once if [their] [they(SUB)] they] IP they(REP) become a mother in law^
P uhhuh.
C they turn to be a woman Hitler you know.
P I know I know all right man.
C <that's what> IP that's what(REP) I'm wondering you know.
P <thanks a lot dude>. 
good morning hi what's your name?

I have an uncle and aunty who is in Canada who still speaks in Malay at home.
ya right.
very good.
so what do you think about English medium I mean^ of course English I support IP er [we] IP we(REP) should have English.
all right <thank> you sir.
<but^>

P  English and Bahasa Malaysia right?
C  yes.
P  okay all right.
ya guten morgen.
good morgen.
yes.

you know the thing is this you [know] IP you see(SUB) IP :521 ahm I
don't <agree>^<

<can you> speak without saying the thing is this?

((laughs))

no no! ((emphaisis, not repetition))
you know I don't agree [that] IP that(REP) they say: IP you know men
are not controlled by women.

all men are controlled by womenlah.

okay thank you thank you for <speaking> the truth this morning.

<ly' kn*>] IP you' know(REP) why?
mhm.

look at Samson.

right.

his downfall was Delilah.
yeah she cut off his hair.

ah?
yes if not [for] IP for(REP) Delilah he wouldn't have lost his hair.

right.
even Tom Jones is controlled by Delilah.

ah what oh v^<

((laughs))

so are you so in other words are you saying that all women are control
freaks?

yes yes yes ((emphasis, not repetition)).
you you you you say yes for that.
yes yes ((emphasis, not repetition)).
ookay and you believe how many percent of Malaysian men been
controlled by women in Malaysia?

ahm ya I think ninety nine.
ninety nine percent.
take a pen and write it down where is the pen?

and the one percent?

ah [the] IP the(REP) one percent <is>^<

<is don't> like women?

[no] IP ah yes(SUB).

((laughs))

yes [and] IP and(REP) the one percent is what you know?

they are just couldn't be bothered care a damn less.

okay but but n* I'm not controlled by women.

no you see the thing is this you see you are the type of person like you
want to go golah to hellah you know.

ah right right .

[that] IP that(REP) is why: IP otherwise you know^<

yes.
you'll end up in that same shoe.

no no no at the end of the day I think about it all our bosses are female.

((laughs))
yeah yeah.
we are controlled.
Caller 50

P  good morning.
C  ah morning.
P  yes sir.
C  ya IP ah [i:] (DEL) IP this is P.
P  right P go on P.
C  ya [i:] (DEL) there's saying that [the] IP the (REP) [w*] IP husbands (SUB) is the general of the household when the wife are the major.
P  right.
C  that's why the husbands makes all the general decisions and the wives make all the major decisions.
P  ((laughs)) way to go.
P  thank you P you said it all right.
P  and do you agree how many percent do you think you know our life er control or monopolized by women?
C  well I guess probably at least eighty percent.
P  eighty ah?
P  don't you feel sad for our kind?
C  well I guess it's a choice that the guys have made. ((laughs))
P  yeah all right man thanks.
good morning.

hello good morning.

yes oh man there you go she's going to control us now yes.

the only lady who's calling now?

yeah right.

okay.

hi.

hi.

((laughs)) it's not that we are trying to control a man.

but?

we are not <trying to control a man you see>.

<((laughter))>.

then?

you see [we a*] IP we are(REP) making the: IP decisions IP :423 evenly IP :741 okay.

oh are you telling me all the decision made by women are right?

it's not that it's right we <initiate> evenly.

<then>?

so the men [they have](DEL) IP [their make the] IP :73 they make the(SUB) decisions also.

so I don't think so that men are control by the woman.

if we control the men they are not going to do any job right you see.

<oh my God!>

<(( )>.

oh you getting support from ( ) in the back.

I tell you we need a new new newcaster in the house now.
P  hello good morning.
P  morning.
P  sir I told you earlier please switch off your radio.
P  ya already done.
P  thank you okay go on.
C  all right I say a hundred percent
P  hundred percent wo<men> control.
C  <one> ya.
P  ah.
C  like it or not your mum is [your](DEL) IP a woman.
P  right.
C  she controls everything.
P  right.
C  whatever [they] IP :251 whatever you(SUB) do she will have some say^ right.
P  when you were young.
P  ya.
C  right she feeds you.
P  mhm.
C  [and] IP :926 and(REP) IP :280 that's it IP :440 hundred percent.
P  right okay.
P  I have a survey here it shows that yeah when you are young you are born you were control by your mother.
P  she's a woman all right okay.
P  then when you grow up you are sixteen seventeen you are control by your girlfriend.
P  ya ya control by your girlfriend.
P  the if you work for somebody like us you are control by your boss who's a woman.
P  and then you get married you control by your wife.
P hello.
C hello good morning.
P good morning.
C [I](DEL) IP all the while men were dominant.
P uhhuh.
C so now it's woman's turn.
C [u*](DEL) IP [the] IP :190 the(REP) two thousand belongs to womanlah
[you see] IP :251 I see(SUB) them more smarter they having more
degrees.
P uhhuh but that was two thousand this is two thousand and two.
((laughs))
C ya the year [two thou*] IP I mean from two thousand(INS) onwards.
P okay.
C and woman dress better.
P uhhuh.
C I see them IP :274 if they [ar*] IP [are(REP)](DEL) IP I mean they look
all the time they are well groomed.
P mm.
C guys can't be bothered to dress themselves.
C wow sir are you speaking for <yourself?>
C <((laughs)) that's> the dominant now.
P ah.
C and they are better in IP ah :163 <treating the children^>
C <or maybe maybe> okay if if I speak.
C <((laughs))>
P no no no but talking about the decisions ah^
P pardon?
C we are not talking about you know existence of male and female.
P no no we are not.
C we're talking about ahm the the fundamental er decision that that we
make you know you lay guys.
C I know I know(emphasis, not repetition)!
P yeah.
C yeah. <((laughs))
C [y*](DEL) IP because it's a shared decision.
P so is there a reason why we're we're not bothered about the way we look
and all that <nowadays?>
C no it's [shared d*] IP shared_d*(REP) all er ((clears throat)) the
decision when they make decisions.
P mhm ((laughs))
C you see when you choose that colour the wife will say this colour then we
will make a decision which IP :155 really suit both of us.
P ahh her.
C yeah that's why we look bad.
C [y*] IP :219 [i*] IP [it's(REP) not that we
look bad(REP) because we love that's why.>
P <((laughs))>
P <yeah yeah I tell you>.
C <[we love woman]> IP we love woman(REP) without woman we can't
live^
I tell you I tell you if all guys are out there like you we will not have a
f**k>
there are a lot of househusbands you know.
a lot of what?
househusbands.
househusbands yeah wouldn't be bad act*
they cook but they are better cooks.

uhhuh.
men are better cooks anyway.

uhhuh.
and IP ah I mean :412 cleanliness womanlah.
cleanliness all right thanks man.

if more more guys are like you I mean we wouldn't have formula one
drivers.
P hello.
C hi.
P yes.
C P?
P yes.
C I'd like to^n
P who's this?
C this is C from Terengganu.
P yes C tell me C.
C yeah you know what?
P mhm.
C my wife don't have to say anything I'll follow her.
P wow!
P wah!
C ((laughs))
P you f* you you just follow whatever your^n
C [no] IP no(REP) [she don't] IP :408 she don't(REP) even have to say a
word you 'k now <I'll have to think of her> every time I want to do
something.
P <she doesn't say anything.>
P you're in love obviously.
P how long m* how long you been going out with her?
C it's about thirteen years now.
P thirteen years!
P who's that your wife.
C y* ((laughs)) < I have been> married to her yes [for my wife] IP with my
wife(SUB) thirteen years now.
P <that's your wife.>
P thirteen years to the same woman?
P yeah.
P she's sitting next to him with a big chair over his head.
<((laughs)))>
P <you know^>
P oh man I tell you.
C [i*] IP [it's(REP)] IP it's(REP) just that she has [s*] IP something(REP)
[you know] IP :56 you know(REP) IP :502 when she says something of
course [we'll we'll we'll] IP we'll(REP) talk about it but^n
P uhhuh.
C when she starts IP :1046 saying anything and then that's trouble man.
P right I hear you all right man good luck man that's all I can say.
P    hello morning.
C    good morning guys.
P    do you hear me this morning?
C    ya I just wanna say IP :380 [we] IP :96 we(REP) just let them make
decision because we don't want any problems at home.
P    oh right.
C    because the moment [you you] IP you(REP) say something and then
IP you know [they s*](DEL) IP they always want to it their way.
C    <so> we let them make decisions so we don't have any problems at
home.
P    <see^>
P    at least one man out there telling the truth.
C    yes <and> we are peace loving people.
you know we are peace loving guys.
P    <all right>.
P    peace to you sir.
hello good morning.
morning P.
hi.
how are you?

ahm not fine.
not fine ah?
don't bluff you sound very fine.
all right goon.
hi P.
hi hi.
this is C.
hi.
okay^
right.
er I don't think we can make a blanket statement lah because^ mhm.
it depends on the kind of things like if you're going to a restaurant ei I think the guy wouldn't mind being influenced by his wife you know.
<uhhuh.>
<er> <for example^>
<are you saying> we <don't know> how to choose our food.
<no what I mean> is [a place] IP the place(SUB) you know.
yeah.
because I think they just do it to make the: IP you know other side happy that's all.
yea.
but I don't think that it's: IP :366 correct to say that all men^ right.
<you know> are influenced by women you know.
<uuhhuh.>
but [if] IP if(REP) the women have good ideas I suppose a sensible man will go along with <it> what's wrong.

<no^> how often do you think women have good ideas all the time?
no but [I'm] IP what I'm(INS) saying is if a guy is influenced by what IP :326 a woman says^ mhm.
it should be or it could be because the woman has something sensible to say.
mhm.
I think if the same is true that if he thinks his idea is better [I] IP I(REP) think [he would go along] IP a sensible man would go along(SUB) his own IP :406 you know <idea.>
<decisions>.
yes yes((emphasis, not repetition)) but the problem is do we have enough sensible men out there?
oh yes we do you see I'm thinking of [my p^] IP of our prime minister(SUB).
don't you think that he is a sensible man?
oke that's one.
oh boy.
no no ((emphasis, not repetition)) that's one but^ oh she's pretty smart she is. ((laughs))
((laughs))
ya you know how to get around don't you?
no no ((emphasis, not repetition)) you just have to look around and you'll see there a lot of sensible men and I suppose there would be a lot of sensible women as well.
mhm.
so if the two of them meet then [g*] IP wow goodalah(INS).
let me ask you a question now ya?
y.
P.
all right y**^ [you always] (DEL) don't put me on the spot ah.
no no I'm going I'm going to ask you a question really very you know.
in 1886^ ((laughs)) I knew you were going to do something like that P.
listen listen to me all right.
okay.
see if you can you can at Jacob's Pharmacy in Atlanta John Pemberton^ okay.
made the first batch of a new health tonic^ okay.
flavoured drink with ah you know cocaine leaves.
uhuh.
it's got cocaine leaves it's called coca leaves.
okay.
the mixture flopped as a tonic drink.
what am I talking about?
what are you talking about?
hmm.
he he was making a tonic for what?
ahm no he was making a first batch of new health.
health ah?
yeah health tonic dr* flavoured with er the cocaine leaveslah.
okay.
ahm.
so it failed?
fail* flopped as a tonic drink.
okay.
what am I talking about?
[the] IP the(REP) cococolalah.
oh my goodness!
right?
how did you know that?
no you said cocaine I just played alonglah.
initially initially but it did pretty well as a soft drink.
oh I see.
called the name you mentioned just now.
good good for you but it happened on this day you know.
oh I see.
all right take care bye bye.
okay IP er samba will win.
right we know that.
yea and then IP ah ah it should be really realisticah before nine^ mhmm.
there was one caller who said IP er we are hypocrites you see.
right.
er be factually <actually> we know our standardah.<we are.>
<ah our football standard.
yes.
so the score is IP :337 five zero.
five zero.
y.
okay w* are you ready to take the punishment.
no!
<[[I] IP [I(REP) m*] IP I make(REP) sure that^>
<if if Malay* if> Malaysia win^ samba will win.
okay if^ and then they are world class player Brazil you must know you see.
right right.
yea because I [d*](DEL) [I(DEL) [the] IP [the(REP) fact] IP the [fact(REP)] IP fact(REP) is that I am a Malaysian.
right.
I support Malaysia I sleep Malaysian I eat Malaysian.
okay <thank you>.
<but you> should know our football you see.
yeah.
hello.
good morning.
ya what's up man?
ya I **say:** IP er Brazil will win seven three.
seven three!
okay <tell us tell us about the seven three.>
<well if Malaysia could score three goals> hello?
ya ya.
if Malaysia could score three goals against England I don't see why they can't score three against Brazil.

ohho okay.
all right okay that's okay your ob^{A}
yup.
observation.
so that's what you'd like to see tonight ya?
ya okay.
fantastic.
C  P.
P  ah and P who's this?
C  aiyahdah ((expression)) P.
P  yeah.
C  stop wasting your breathlah.
P  why?
C  yes.
   [we know] IP we know(REP) who will win.
P  no we know who will win by how many goals?
C  ya but you see^ 
P  mhm.
P  the problem is^ 
P  ahha.
C  Malaysia only can win if the Brazilians^ 
P  uhhuh.
C  are blindfolded.
P  wahl
P  that's a good game that's a fair game.
P  ei come on playing Malaysia <you have to be blindfolded>. 
C  <no no no((emphasis, not repetition)) at least you have to give Malaysia> 
a chance you know.
P  ya but if you really want to give Malaysia if you want to give Malaysia a 
   chance then you gotta stop thinking like that.
P  but she's good I mean be fair be fair okay Malaysia boleh.
P  mm until they are blindfolded^ 
P  way to go<lah>.
C  or they play with one leg.
P  ah but if we keep thinking like that then we will never get anywhere.
P  ((laughs))
C  ((laughs))
P  okay bye love.
good morning.

C morning P.
P yeah hi.
C morning P.
P morning sir.
C C here.
P hi C.
C ya I think Malaysia will lose ah <ah^>
P we all know that. ((laughs))
C ya.
P tell me something that we don't know.
C you don't know ah?
P ya.
C the score'll be ten one.
P okay.
C ah: Malaysia will be able to score one goal.
P right.
C ah own goallah.
P okay.
P own goal. ((laughs))
P all right okay all right man.
C if Brazil and Malaysia score own goal so make it ten one.
P okay all right thanks man thank you very much.
good morning welcome to the show.
hello.

hello good morning.

yes sir.

C

yeah C shoot man five seconds.

C

yes yes yes^((emphasis not repetition))

right.

you know [he] IP he(REP) [shouldn't be] IP :394 er what you call it :318 he will be(SUB) condemned but they cannot [do it] IP er [re^] IP redo(REP) it.

why?

they will give him a life sentence.

you think so?

ya.

no sir.

they cannot do IP er er er two times.

no a condemned man or woman freed er can be can be freed so you telling can be freed?

<ya not^>

<life sentence.>

<life sentence.>

<they won't> life sentence.

yup.

oh th^* I see sentence will be dropped to life ah?

ya.

okay thank you thank you that's his opinion.
hello.
good morning.
good morning.
y the man [c*](DEL) IP [should go f*] IP the man or woman should go free(INS) because IP :567 the sentence has already been meted out and due to mechanical failure or anything is no excuse.

<mhm.>
<plus> they've already hung him and he escaped.
mhm.

that is he should go free.
that's the law.

ah.

who said the law?
ah?

who said that?
because the law says you should be hung until your death only once not two times.

excuse me sir that's a a confusion between the trial and the sentence.

people always think ah.
mhm.

now do you know the difference between a sentence and a trial?

ya a sentence^

yes.
because the sentence has been meted out you see.

no no no no trial you cannot try a man twice for the same reason.

hello hello?

yes.

<br> <but sentence it should be carried out^>

ah let me speak to your lawyer.

thank you very much anyway.
hello.
yes sir.

ah you see I think if the [m*](DEL) IP [the](DEL) IP there is a mechanical failure.
right.

he should be set free.

that is the reason they came out with the law saying that <until you die.>
<hukum mati ((death sentence))).>

yeah all right thank you sir.
