4.1 Conclusion	45
4.2 Recommendations	46
<b>REFERENCES</b>	

## **ACKNOWLEDGEMENT**

I would like to take this opportunity to express my sincere appreciation and thanks to Dr. Abdul Latif Bin Haji Salleh for his guidance and insightful suggestions during the course of this study.

Many thanks to the participants in the hotel survey for taking the efforts in completing the questionnaires and providing the relevant information and inputs.

My deep appreciation also goes to my wife Keng Hwen for her encouragement and supports throughout the preparation of this project paper. Many thanks to my MBA friends, especially Nikki Lee and Cheng Yi for their continuous supports and sharing.
