ABSTRACT

This study focuses on the mechanism to implement effectively renovation process of monetary policy in Vietnam, define the necessary conditions and concrete solutions for carrying out effective monetary policy and to complete the monetary policy in the structure of Vietnam's policies.

Chapter 1 reviews the role of monetary policy in economic development and the rationale of the need of the monetary policy renovation in Vietnam and states the objective of the study.

Chapter 2 overview of monetary circulation mechanism, the monetary management before renovation period and the necessary of reform of these policies in accordance with the new economic structure.

Chapter 3 examines the renovation of the monetary policy in order to stabilize the value of the currency and its role in developing the economy in Vietnam.

Chapter 4 states the necessary conditions and concrete solutions to ensure the effective implementation of monetary policy.

Chapter 5 presents the summary and conclusion of the study.

ACKNOWLEDGEMENTS

I wish to express my sincere gratitude to my supervisor, KWEK KIEN TENG for her guidance and help in completing this study. Despite her heavy duties, she has been very generous in giving her assistance and time.

I am grateful to Dr. PHAM NGOC PHONG, director of Banking Research Institute, State Bank of Vietnam who has given me many invaluable suggestion and guidance especially on the analytical technique.

I am also grateful to Dr. NGUYEN HUU PHUNG, director of Centra of Bank Training for his invaluable help and also to Dr. NGUYEN DUC THAO, head of Banking Research Department, State Bank of Vietnam, for some of the suggestions he has given.

I also owe a lot of thanks to Prof. PHAM DING THUONG, dean of the Monetary and Credit Faculty of Banking College. Mrs NGUYEN THI MINH HIEN for helping in the compilation of data.

I would also like to record my gratitude to the Malaysia Government for the financial assistance rendered in the form of a fellowship during my two years of studies.

Finally, I am grateful to my wife, NGUYEN NGOC YEN and my Parents and my children, who has given me a lot of encouragement and keen support throughout the two years of the Masters Programme.
