TABLE OF CONTENTS

ACKNOWLEDGEMENT .................................................................................................................. I
TABLE OF CONTENTS ................................................................................................................ I I
LIST OF TABLE ............................................................................................................................ IV
LIST OF FIGURE ............................................................................................................................ VI
ABSTRACT ...................................................................................................................................... VII
CHAPTER 1 INTRODUCTION ......................................................................................................... 1
  1.1 BACKGROUND OF THE STUDY ............................................................................................ 1
    1.1.1 DEVELOPMENT OF ORGANIZATIONAL LEARNING AND LEARNING ORGANIZATION ........................................................................................................... 1
    1.1.2 REASON FOR OL AND LO ............................................................................................ 3
    1.1.3 BACKGROUND OF MALAYSIA .................................................................................... 5
  1.2 STATEMENT OF PROBLEM ................................................................................................. 9
  1.3 PURPOSE OF THE STUDY ................................................................................................. 10
  1.4 APPROACH OF THE STUDY ............................................................................................... 10
  1.5 SIGNIFICANCE OF THE STUDY ....................................................................................... 11
  1.6 SCOPE OF THE STUDY ....................................................................................................... 12
  1.7 ORGANIZATION OF THE REPORT ................................................................................... 12
CHAPTER 2 LITERATURE REVIEW ............................................................................................. 13
  2.1 ORGANIZATIONAL LEARNING AND LEARNING ORGANIZATION .................................... 13
    2.1.1 ORGANIZATIONAL LEARNING (OL) ........................................................................ 13
    2.1.2 LEARNING ORGANIZATION (LO) ........................................................................... 13
    2.1.3 RELATIONSHIP BETWEEN OL AND LO ................................................................. 14
    2.1.4 SCHOOL OF THOUGHT ............................................................................................ 15
  2.2 EMPIRICAL WORK .............................................................................................................. 16
    2.2.1 EMPIRICAL WORK IN NON-MALAYSIAN CONTEXT ............................................. 17
    2.2.2 EMPIRICAL WORK IN MALAYSIAN CONTEXT ...................................................... 20
    2.2.3 SUMMARY OF EMPIRICAL WORK .......................................................................... 21
  2.3 BUSINESS CULTURE ........................................................................................................... 22
  2.4 MARQUARDT SYSTEM-LINKED ORGANIZATION MODEL ................................................ 25
    2.4.1 LEARNING DYNAMICS ........................................................................................... 26
    2.4.2 ORGANIZATIONAL TRANSFORMATION ................................................................ 29
    2.4.3 PEOPLE EMPOWERMENT ....................................................................................... 30
    2.4.4 KNOWLEDGE MANAGEMENT ................................................................................. 31
    2.4.5 TECHNOLOGY APPLICATION ................................................................................ 31
  2.5 ORGANIZATION LEARNING OPPORTUNITY ..................................................................... 32
LIST OF TABLE

Table A. 1: Distribution by Ethnic Group of Respondents ........................................... 70
Table A. 2: Distribution by Tenure of Respondents .................................................... 70
Table A. 3: Distribution by Education Level of Respondents .................................. 70
Table A. 4: Distribution of Sample by Nationality of Organization ..................... 71
Table A. 5: Distribution of Sample by Industry ......................................................... 71
Table A. 6: Distribution of Respondents by Geography ........................................... 71

Table 1: Crosstabulation for Nationality of Company with Business Culture ........... 72
Table 2: Mean Score of Learning Disciplines / Learning Types................................. 72
Table 3: Mean Score of Organizational Transformation ............................................ 73
Table 4: Mean Score of People Empowerment ......................................................... 74
Table 5: Mean Score of Knowledge Management ..................................................... 75
Table 6: Mean Score of Technology Application ...................................................... 76
Table 7: Mean Score of Learning Opportunity ......................................................... 77
Table 8: Mean Score of Learning Consequences ...................................................... 78
Table 9: Correlation between Formal Learning and Business Culture .................... 79
Table 10: Correlation between Informal Learning and Business Culture ............... 79
Table 11: Correlation between Incidental Learning and Business Culture ............. 80
Table 12: Correlation between Formal Learning and Consequences of Learning ....... 81
Table 13: Correlation between Informal Learning and Consequences of Learning .... 81
Table 14: Correlation between Incidental Learning and Consequences of Learning ... 82
Table 15: Means difference of learning disciplines / types versus business culture ... 83
Table 16: Means difference of organization transformation versus business culture ... 83
Table 17: Means difference of people empowerment versus business culture .......... 83
Table 18: Means difference of knowledge management versus business culture ...... 84
Table 19: Means difference of technology application versus business culture ...... 84
Table 20: Means difference of learning opportunity versus business culture .......... 84
Table 21: Learning Discipline / Type and Self-Rated Competencies ...................... 85
Table 22: Learning Discipline / Type and Satisfaction with Development ............... 85
Table 23: Learning Discipline / Type and Organization Innovativeness .................. 85
Table 24: Organization Transformation and Self-Rated Competencies .................... 86
Table 25: Organization Transformation and Satisfaction with Development ............. 86
Table 26: Organization Transformation and Organization Innovativeness ............... 86
Table 27: People Empowerment and Self-Rated Competencies .............................. 86
Table 28: People Empowerment and Satisfaction with Development ...................... 86
Table 29: People Empowerment and Organization Innovativeness ......................... 87
Table 30: Knowledge Management and Self-Rated Competencies ........................... 87
Table 31: Knowledge Management and Satisfaction with Development .................. 87
Table 32: Knowledge Management and Organization Innovativeness ...................... 87
Table 33: Technology Application and Self-Rated Competencies ............................ 88
Table 34: Technology Application and Satisfaction with Development .......... 88
Table 35: Technology Application and Organization Innovativeness .......... 88
Table 36: Learning Opportunity and Self-Rated Competencies ............... 89
Table 37: Learning Opportunity and Satisfaction with Development .......... 89
Table 38: Learning Opportunity and Organization Innovativeness .......... 89
Table 39: Effects of Business Culture on Learning Disciplines / Types ....... 90
Table 40: Effects of Business Culture on Organization Transformation ....... 90
Table 41: Effects of Business Culture on People Empowerment ............... 90
Table 42: Effects of Business Culture on Knowledge Management .......... 91
Table 43: Effects of Business Culture on Technology Application ............ 91
Table 44: Effects of Learning Disciplines / Type on Consequences of Learning .......... 91
Table 45: Effects of Organization Transformation on Consequences of Learning .......................................................... 92
Table 46: Effects of People Empowerment on Consequences of Learning .... 92
Table 47: Effects of Knowledge Management on Consequences of Learning .... 92
Table 48: Effects of Technology Application on Consequences of Learning .... 92
