Journals/Reference Books/Manuals

1. Stamping Journal May/June 2001, Ohio State University
   *Design rules for Forming Aluminum Stampings*

2. Stamping Journal July/August 2000, Ohio State University
   *A Practical Approach to Evaluate Friction*

3. Stamping Journal May/June 2000, Ohio State University
   *Practical Determination of Formability Using the Viscous Pressure Bulging Test*

4. Journal Y2000, Dept of Mechanical Engineering, Northwestern University
   Ford Scientific Research Laboratory
   *Analysis of a Axisymmetric Deep Drawn Part Forming Using Reduced forming Steps*

5. Frank W. Wilson, Philip P. Harvey, Charles B. Gump Jr.

6. Donald F. Eary, Edward A. Reed

18. *CSA Nastran Static Analysis* - Seminar Notes

19. *CSA Nastran Dynamic Analysis* – Seminar Notes
