

TABLE OF CONTENTS

CHAPTER 1: INTRODUCTION	1
1.1 Purpose and Significance of the Study	1
1.2 Scope of Study.....	2
CHAPTER 2: LITERATURE REVIEW	3
2.1 The Sales Representatives, Pharmaceutical Companies and The Physicians	3
2.2 Pharmaceutical Companies Promotional Tools.....	4
2.3 Source of Information for Physicians	6
2.4 Factors Influencing Prescribing Practice	7
2.4.1 Sample	7
2.4.2 Advertisement.....	7
2.4.3 Clinical Papers.....	8
2.4.4 Sales Representative.....	9
2.4.5 Colleague of Physician	10
2.5 Ethical Issues in the Pharmaceutical Industry.....	10
CHAPTER 3: RESEARCH METHODOLOGY	13
3.1 Research Method.....	13
3.2 Sampling Design.....	13
3.3 Research Hypothesis	13
3.3.1 Hypothesis A: Usefulness of Source of Drug Information	13
3.3.2 Hypothesis B: Influence on Prescribing Practice	14
4.1 Summary Statistics of Respondents	16
4.1.1 Geographical Region	16

4.1.2	Gender.....	16
4.1.3	Ethnic Group.....	16
4.1.4	Years of Practice	16
4.1.5	Specialty.....	17
4.2	Results.....	18
4.2.1	Direct Mail.....	18
4.2.2	Frequency of Visit by Sales Representative	19
4.2.3	Reading the Clinical Papers	19
4.2.4	Drug Sample.....	20
4.2.5	Usefulness of Source of Drug Information.....	21
4.2.6	Influence on Prescribing Practice	25
4.2.7	Testing of Hypothesis A: Usefulness of Source of Information ...	28
4.2.8	Testing of Hypothesis B: Influences on Prescribing Practice.....	29
4.3	Discussion and Recommendations	30
4.3.1	Usefulness of Commercial and Non-commercial Sources of Information.....	30
4.3.2	Influences of Commercial and Non-commercial Sources of Influence on Prescribing Practice	30
4.3.3	Direct Mailing Marketing	31
4.3.4	Clinical Papers.....	32
4.3.5	Drug Sample.....	32
4.3.6	Recommendation by Colleagues.....	33
4.3.7	Sales Representative.....	33
4.3.8	Symposia / Conference	34
4.3.9	Promotional Materials	35
CHAPTER 5:	CONCLUSION.....	36
5.1	Conclusions	36
5.2	Suggestions for Additional Research.....	36
5.3	Limitations of the Study.....	37

BIBLIOGRAPHY 38
