Abstract	ii
Acknowledgement	v
List of Tables	xi
List of Figures	xiv
List of Abbreviations	xv
Chapter 1: Introduction	1
1.0 Background of Study	1
1.1 Research Problem	10
1.2 Research Questions	13
1.3 Research Objectives	13
1.4 Research Design	15
1.5 Contribution of Study	16
1.6 Chapter Organisation	19
Chapter 2: Development of the Public Sector Privatisation Enterprises: The Malaysian and Singaporean Experiences	20
2.0 Introduction	20
2.1 Privatisation in Malaysian Public Sector Enterprises	22
2.1.1 Introduction	22
2.1.2 New Economic Policy	22
2.1.3 Growth of Public Enterprises in Malaysia	26
2.1.4 Performance of State-Owned Enterprises (SOEs)	28
2.1.5 “Malaysia Incorporated”	30
2.1.6 Privatisation in Malaysia	31
2.1.7 Privatisation Master Plan	32
2.1.8 Privatisation Action Plan	32
2.1.9 Method of Privatisation	36
2.1.10 Achievements	37
2.1.11 The Financial Crisis	42
2.2 Privatisation in Singaporean Public Sector Enterprises	46
2.2.1 Introduction	46
2.2.2 Government Linked Companies in Singapore	48
2.2.3 Performance of Government Companies	52
2.2.4 Divesting Government Companies	54
2.3 Chapter Summary	58

	Chapter 3: Literature Review	60
3.0	Introduction	60
3.1	Ownership Structure and Performance	61
3.2	Partial Privatisation and Performance	74
3.3	Government Ownership and Performance	76
3.4	Chapter Summary	91
	Chapter 4: Theoretical Framework and Hypothesis Development	94
4.0	Introduction	94
4.1	Theory of the Firm	94
4.1.1	Role of State Ownership	97
4.1.2	Government Ownership Monitoring and Motivating the Performance	101
4.2	Agency Cost	104
4.2.1	Managing the Agency Problem	110
4.2.2	Incentive Contracts	111
4.2.3	Legal Protection	114
4.3	Agency Cost Proxies	119
4.4	Research Hypothesis	121
4.5	Chapter Summary	125
	Chapter 5: Research Methodology and Data Description	126
5.0	Introduction	126
5.1	Research Design	127
5.2	Estimation Method	131
5.2.1	Fixed Effect Model versus Random Effect Model under Panel Regression Model	133
5.3	Data	135
5.3.1	Sampling Selection	137
5.4	Econometric Issues	139
5.4.1	Test of Data Stationary Normality and Multicollinearity	139
5.4.2	Test of Auto-Correlation	140
5.4.3	Test of Heteroscedasticity	140
5.5	Performance Measurements	141
5.6	Independent Variables and Expected Relationships	148
5.7	Chapter Summary	151
	Chapter 6: Results of the Relationship between Government Ownership and Corporate Performance: The Malaysian Perspective	152
6.0	Introduction	152
6.1	Results and Analysis	153
6.1.1	Results of Data on Normality Test	153
6.1.2	Correlation Matrix	154
6.1.3	Analysis on Financial and Market Performance	157
6.2	Panel and Pooled Regression	159
6.2.1	Results Based on Market Measure	159
6.2.2	Results Based on Accounting Measure	161

6.3	Results and Analysis of Malaysian Matched Samples	164
6.3.1	Descriptive Analysis	164
6.3.2	Correlation Matrix	165
6.3.3	Financial and Market Performance of GLCs and Non-GLCs	167
6.4	Panel and Pooled Regression Analysis	169
6.5	Comparison of Matched Samples of GLCs and Non-GLCs	171
6.6	Chapter Summary	173
	 Chapter 7: Results of the Relationship between Government Ownership and Corporate Performance: The Singaporean Perspective	 176
7.0	Introduction	176
7.1	Results of Data on Normality Test	177
7.2	Correlation Matrix	178
7.3	Analysis on Financial and Market Performance	180
7.4	Panel and Pooled Regression	182
7.4.1	Results Based on Market Measure	182
7.4.2	Results Based on Accounting Measure	185
7.5	Results and Analysis on Singaporean Matched Samples	185
7.5.1	Descriptive Analysis	186
7.5.2	Correlation Matrix	187
7.5.3	Financial and Market Performance of GLCs and Non-GLCs	190
7.6	Panel and Pooled Regression Analysis	192
7.7	Comparison of Matched Samples of GLCs and Non-GLCs	194
7.8	Chapter Summary	196
	 Chapter 8: Results of the Comparative Analysis between Malaysian GLCs and Singaporean GLCs	 198
8.0	Introduction	198
8.1	Results and Discussion on Malaysian GLCs and Singaporean GLCs	138
8.1.1	Descriptive Statistics	198
8.1.2	Correlation Matrix	200
8.2	Financial and Market Performance of Malaysian and Singaporean GLCs	204
8.3	Panel and Pooled Regression Analysis	207
8.4	Regression Analysis of Malaysian GLCs and Singaporean GLCs for Separate Analysis	210
8.5	Chapter Summary	213
	 Chapter 9: Conclusion, Implications, Limitations, and Recommendations for Future Research	 216
9.0	Introduction	216
9.1	The Research Problem	217
9.2	Objectives of Study	217

9.3	Research Questions	218
9.4	Discussion on Findings	219
9.5	Contributions of Study	226
9.6	Limitations of Study	229
9.7	Recommendations for Future Research	230
9.8	Chapter Summary	231
	References	233
	Appendix	266
