

International Diversification and Performance

TABLE OF CONTENTS

CHAPTER 1: INTRODUCTION

1.0 Introduction	2
1.1 Background	3
1.2 Research Questions	7
1.3 Objective of the Study	7
1.4 Significance of The Study	9
1.7 Summary	10

CHAPTER 2: LITERATURE REVIEW

2.0 Introduction	12
2.1 Firm International Diversification	12
2.2 Stages of International Diversification and Financial Performance	17
2.3 Degree of International Diversification	22
2.4 Part Empirical Results	24
2.5 Conceptual Framework	27
2.6 Variables	28
2.7 Summary	31

International Diversification and Performance

CHAPTER 3: RESEARCH METHODOLOGY

3.0 Introduction	33
3.1 Research Activity	34
3.2 Development of Hypothesis	35
3.3 Selection of Measure	37
3.4 Sampling Design	40
3.5 Data Collection Procedure	41
3.6 Data Analysis Techniques	42
3.7 Summary	44

CHAPTER 4: RESEARCH RESULTS

4.0 Introduction	46
4.1 Profiles of Samples	46
4.2 Result for Impact of International Diversification on Firm Performance	50
4.3 Result for Performance Comparison of International Diversified Firms and Non Diversified Firms	54
4.4 Summary	58

CHAPTER 5: CONCLUSION AND RECOMENDATIONS

5.0 Introduction	60
5.1 Summary and Conclusion	60
5.1.1 Relationship between International Diversification and Performance	60
5.1.2 Performance Comparison between Non-international Diversified Firms and International Diversified Firms	63

International Diversification and Performance

5.2. Limitations	66
5.3. Suggestion for Future Study	68
5.4. Management Implication	69
3.5. Summary	71
