## CHAPTER 1: BACKGROUND TO THE STUDY

1.1 Purpose and Scope of the Study 1
1.2 The development of medical research articles 3
1.3 A description of medical research articles 5

## CHAPTER 2: THEORETICAL BACKGROUND

2.1 Background to Text Analysis 9
2.2 Register 14
2.3 Genre 22
2.4 Approaches to Genre 27
2.4.2.1 Hasan's Linear Generic Structure Potential 36
2.4.2.2 The Connotative Semiotics Model 39

2.5 Concluding Remarks 45

CHAPTER 3: REVIEW OF LITERATURE ON ACADEMIC TEXTS

3.1 Introduction 46
3.2 The Grammatical-Rhetorical Approach 46
3.3 Swales' Moves Analysis 53
3.4 The Systemic Analysis 56
3.5 Concluding Remarks 60

CHAPTER 4: METHODOLOGY AND SYSTEM OF DESCRIPTION

4.1 Description of data 61
4.2 Methodology 63
4.2.1 The article 64
4.2.2 The sections 64
4.2.3 The moves 65
4.2.4 The linguistic features 66
4.3 The Discourse Framework 67
4.4 The Lexicogrammatical Analysis 68
4.4.1 The Principles of Grammatical Analysis 71
4.4.1.1 Embedding or rank shift 75
4.4.1.2 Embedding and the clause complex 76
4.4.1.3 Labelling 77
4.4.2 Mood Analysis 83
Information

5.2.2.1 An Analysis of Mood in Move 2

5.2.2.2 An Analysis of Transitivity in Move 2

5.2.2.3 An Analysis of Theme in Move 2

5.2.3 Move 3: Description of Patients and Procedure

5.2.3.1 An Analysis of Mood in Move 3

5.2.3.2 An Analysis of Transitivity in Move 3

5.2.3.3 An Analysis of Theme in Move 3

5.2.4 Move 4: Description of Results

5.2.4.1 An Analysis of Mood in Move 4

5.2.4.2 An Analysis of Transitivity in Move 4

5.2.4.3 An Analysis of Theme in Move 4

5.2.5 Move 5: Stating the Conclusion

5.2.5.1 An Analysis of Mood in Move 5

5.2.5.2 An Analysis of Transitivity in Move 5

5.2.5.3 An Analysis of Theme in Move 5

5.4 Conclusion

5.4.1 Order of Moves

5.4.2 The Lexicogrammar of Abstracts
CHAPTER 6: THE INTRODUCTIONS IN MEDICAL RESEARCH ARTICLES

6.1 Introduction
6.2 Text Organization in Introductions
   6.2.1 Move 1: Stating the Premise
      6.2.1.1 Emphasizing importance
      6.2.1.2 Description of a medical condition
      6.2.1.3 Description of a method of treatment
      6.2.1.4 Reference to previous research
   6.2.1.5 An Analysis of Mood in Move 1
   6.2.1.6 An Analysis of Transitivity in Move 1
   6.2.1.7 An Analysis of Theme in Move 1
   6.2.2 Move 2: Stating the Problem
      6.2.2.1 Failure/ Limitation of treatment
      6.2.2.2 Lack of knowledge of treatment /medical condition
      6.2.2.3 Controversy regarding treatment
      6.2.2.4 An Analysis of Mood in Move 2
      6.2.2.5 An Analysis of Transitivity in Move 2
      6.2.2.6 An Analysis of Theme in Move 2
   6.2.3 Move 3: Stating the Premise
      6.2.3.1 Purpose of the study
      6.2.3.2 Introducing/Describing present
6.2.3.3 Justification for a method of treatment

6.2.3.4 An Analysis of Mood in Move 3

6.2.3.5 An Analysis of Transitivity in Move 3

6.2.3.6 An Analysis of Theme in Move 3

6.4 Conclusion

6.4.1 Order of Moves

6.4.2 The Lexicogrammar of Introductions

CHAPTER 7: THE METHODS IN MEDICAL RESEARCH ARTICLES

7.1 Introduction

7.2 Text Organization in Methods

7.2.1 Move 1: Description of Patients

7.2.1.1 An Analysis of Mood in Move 1

7.2.1.2 An Analysis of Transitivity in Move 1

7.2.1.3 An Analysis of Theme in Move 1

7.2.2 Move 2: Description of/Justification for a Procedure

7.2.2.1 An Analysis of Mood in Move 2

7.2.2.2 An Analysis of Transitivity in Move 2

7.2.2.3 An Analysis of Theme in Move 2

7.2.3 Move 3: Statistical Analysis used

7.2.3.1 An Analysis of Mood in Move 3

xiii
7.2.3.2 An Analysis of Transitivity in Move 3 210

7.2.3.3 An Analysis of Theme in Move 3 211

7.4 Conclusion 212

7.4.1 Order of moves 212

7.4.2 The Lexicogrammar of Methods 213

CHAPTER 8: THE RESULTS IN MEDICAL RESEARCH ARTICLES 218

8.1 Introduction 218

8.2 Text Organization in Results 218

8.2.1 Move 1: Statement of Results 219

8.2.1.1 An Analysis of Mood in Move 1 220

8.2.1.2 An Analysis of Transitivity in Move 1 226

8.2.1.3 An Analysis of Theme in Move 1 227

8.2.2 Move 2: Methodology of and Justification for Procedure 229

8.2.2.1 An Analysis of Mood in Move 2 231

8.2.2.2 An Analysis of Transitivity in Move 2 235

8.2.2.3 An Analysis of Theme in Move 2 236

8.2.3 Move 3: Comparison of Results 237

8.2.3.1 An Analysis of Mood in Move 3 238

8.2.3.2 An Analysis of Transitivity in Move 3 241

8.2.3.3 An Analysis of Theme in Move 3 242

8.2.4 Move 4: Agreement with previous studies 243

8.2.4.1 An Analysis of Mood in Move 4 244
8.2.4.2 An Analysis of Transitivity in Move 4

8.2.4.3 An Analysis of Theme in Move 4

8.2.5 Move 5: Interpretation of Results

8.2.5.1 An Analysis of Mood in Move 5

8.2.5.2 An Analysis of Transitivity in Move 5

8.2.5.3 An Analysis of Theme in Move 5

8.2.6 Move 6: Evaluation of Results

8.2.6.1 An Analysis of Mood in Move 6

8.2.6.2 An Analysis of Transitivity in Move 6

8.2.6.3 An Analysis of Theme in Move 6

8.2.7 Free Move

8.4 Conclusion

8.4.1 Order of Moves

8.4.2 The Lexicogrammar of Results

CHAPTER 9: THE DISCUSSIONS IN MEDICAL RESEARCH ARTICLES

9.1 Introduction

9.2 Text Organization in Discussions

9.2.1 Move 1: Providing Background Information

9.2.1.1 An Analysis of Mood in Move 1

9.2.1.2 An Analysis of Transitivity in Move 1

9.2.1.3 An Analysis of Theme in Move 1
9.2.2 Move 2: Statement on Present Study 270
  9.2.2.1 An Analysis of Mood in Move 2 271
  9.2.2.2 An Analysis of Transitivity in Move 2 275
  9.2.2.3 An Analysis of Theme in Move 2 276
9.2.3 Move 3: Reference to Previous Research 278
  9.2.3.1 An Analysis of Mood in Move 3 281
  9.2.3.2 An Analysis of Transitivity in Move 3 287
  9.2.3.3 An Analysis of Theme in Move 3 288
9.2.4 Move 4: Statement of Results 289
  9.2.4.1 An Analysis of Mood in Move 4 291
  9.2.4.2 An Analysis of Transitivity in Move 4 295
  9.2.4.3 An Analysis of Theme in Move 4 296
9.2.5 Move 5: Evaluation of Results 298
  9.2.5.1 An Analysis of Mood in Move 5 299
  9.2.5.2 An Analysis of Transitivity in Move 5 302
  9.2.5.3 An Analysis of Theme in Move 5 303
9.2.6 Move 6: Explanation of Results 305
  9.2.6.1 An Analysis of Mood in Move 6 306
  9.2.6.2 An Analysis of Transitivity in Move 6 309
  9.2.6.3 An Analysis of Theme in Move 6 310
9.2.7 Move 7: Hypothesis 311
  9.2.7.1 An Analysis of Mood in Move 7 313
  9.2.7.2 An Analysis of Transitivity
in Move 7 314

9.2.7.3 An Analysis of Theme in Move 7 314

9.2.8 Move 8: Deduction 315

9.2.8.1 An Analysis of Mood in Move 8 316

9.2.8.2 An Analysis of Transitivity 321

in Move 8

9.2.8.3 An Analysis of Theme in Move 8 322

9.2.9 Move 9: Recommendation for/Evaluation 323

of Method of Treatment

9.2.9.1 An Analysis of Mood in Move 9 324

9.2.9.2 An Analysis of Transitivity 328

in Move 9

9.2.9.3 An Analysis of Theme in Move 9 329

9.2.10 Move 10: Recommendation for Further 331

Research

9.2.10.1 An Analysis of Mood in Move 10 331

9.2.10.2 An Analysis of Transitivity 333

in Move 10

9.2.10.3 An Analysis of Theme in 333

Move 10

9.4 Conclusion 334

9.4.1 Order of Moves 334

9.4.2 The Lexicogrammar of Discussions 336

CHAPTER 10: CONCLUSION 339
REFERENCES OF ARTICLES USED IN ANALYSIS OF
DATA 342

BIBLIOGRAPHY 345

APPENDIXES 355
1. Analysis of the sections in medical research articles 355
2. Questionaire for informants 387
