Because You Loved Me  
(Celine Dion)

For all those times you stood by me,  
For all the truth you made me see,  
For all the joy you brought to my life,  
For all the wrong that you made right,  
For every dream you made come true,  
For all the love I found in you,  
I'll be forever thankful baby,  
You're the one who held me up,  
Never let me fall,  
You're the one who saw me through,  
Through it all.

* You were my strength when I was weak,  
You were my voice when I couldn't speak,  
You were my eyes when I couldn't see,  
You saw the best there was in me,  
Lifted me up when I couldn't reach,  
You gave me faith 'coz you believed,  
I'm everything I am,  
Because you loved me.

You gave me wings and made me fly,  
You touched my hands I could touch the sky.  
I lost my faith, you gave it back to me,  
You said no star was out of reach,  
You stood by me and I stood tall,  
I had your love I had it all,  
I'm grateful for each day you gave me,  
Maybe I don't know that much,

But I know this much is true,  
I was blessed because I was,  
Loved by you

repeat *

You were always there for me,  
The tender wind that carried me,  
A light in the dark,  
Shining your love into my life,  
You've been my inspiration,  
Through the lies you were the truth,  
My world is a better place because of you.

repeat * two times

I'm everything I am,  
Because you loved me.
ONE day, on a hill top, a fir tree said to a bramble bush. "Look at me, I am tall, strong, graceful and very beautiful. What good are you? You are small, ugly and untidy."

This made the bramble bush very unhappy because it knew the fir tree was right.

But the next day, some men carrying axes came up the hill. They started to chop down the fir tree. They wanted to use it to make a new house.

"Oh dear!" cried the fir tree as it started to fall. "I wish I were a bramble bush, then the men would not have cut me down."

MORAL

People who are too proud may be sorry later.

ONE day, a crow was very thirsty. Then, he spotted a jug of water. He flew down and tried to drink the water but the neck of the jug was too narrow and the crow's beak was too short to reach the water. It tried to push the jug down to get the water but the jug was too heavy. It wasted its time flying about and trying again and again to reach the water. Finally, it sat down quietly. Only then did a splendid plan strike it. It picked up one small pebble after another and dropped it into the water. The water level rose until the crow was able to reach the water and drink to its fill.

MORAL

Don't panic. Think quietly of ways and means to overcome problems.

LONG ago, there lived a man who had five sons. The sons were often quarrelling among themselves and would never do anything together. One day, he had a brilliant idea. He called his sons together. "Here are some sticks. I want you to break a stick each." Each of the sons took a stick and broke it into two easily. Then, the old man took a bundle of sticks and tied it with thick string. "Now, try to break this," he said. The first son tried to break the sticks but couldn't. The sons each tried his luck one by one but no one could break the bundle of sticks. "You boys are just like these sticks. If you stand alone, you can easily be pushed around but if you join forces and cooperate and are close together like this bunch of sticks, you will not be defeated easily." The sons saw how stupid they had been and agreed to be united.

MORAL

United we stand, divided we fall.
THE FOX AND THE TIGER

One day a tiger caught (menangkap) a fox (musang) in the forest. He was about to eat up the fox. The fox said, “The Great King has asked me to be the leader (ketua) of all animals here. You cannot eat me!” The tiger found it hard to believe what the fox had said. "If you do not believe (percaya) me, you can follow (ikut) me. You can see for yourself whether the animals are afraid (takut) of me or not," said the fox.

The tiger agreed (setuju). The fox went first followed by the tiger, walking closely (rapat) behind. When the animals saw the tiger coming, they all ran away in great fear (ketakutan). "See! All the animals are scared of me because they respect (hormat) me," said the fox. "That is right. They all ran away as soon as they saw (nampak) you," said the tiger.
