ACKNOWLEDGMENT

I would like to express my deepest gratitude and thanks to my supervisor, Ass Prof Sadono, for his assistance, advice and encouragement in finishing this dissertation.

My special thanks to Felcra staffs for their help in gathering relevant information regarding on the Felcra performance, analysis of the performance and their support in participating in the interview.

Finally but not least, I would like to extent my deepest appreciation to my dearest wife, Rusnah and my sons Rifdi Asyraf, Rifdi Arif and Rifdi Akmal, for their support and encouragement not only in finishing this dissertation but also in completing this MBA course.
