

## **ACKNOWLEDGEMENTS**

I wish to express my gratefulness to my dearest husband, Mohd Sopian and the two most wonderful children of mine, Kholisz and Khodija, who are my source of inspiration. It has meant so much to me that they have been there for me, for unwavering support and encouragement through the duration of the study

My heartfelt thanks are extended to my dearest supervisor, Prof. Dr. Maya Khemlani David who has assisted in the development and execution of my thesis, for the time and guidance throughout the study.

My sincere appreciation for the time and contributions to individuals who have helped and supported me in realizing this study.
