## **Acknowledgement**

First and foremost, my humble gratitude and appreciation to Almighty Allah, Most Gracious and Most Merciful, for enabling me to proceed with this research until its final form.

I would like to express my sincere thanks to my supervisor, Dr. Kamarulzaman Ahmad, for his guidance and help in this research. I would also like to record my appreciation to the lecturers, whose dynamic guidance, encouragement and teachings have enabled me to acquire previous knowledge.

I wish to thank all the companies for granting me permission to carry out this study. My gratitude also goes to all the respondents that had participated in the survey. Most importantly, I am indebted to numerous friends and colleagues for rendering me their unconditional assistance in conducting the survey.

Last but not least, my heartiest love and thanks to my father, Abu Bakar Hashim and my mother, Hazilah Hassan. They have been my inspiration, helpers and source of encouragement throughout the two years of undertaking the MBA program. Their love, understanding and undivided support has helped me throughout this long journey.
