

2. *LITERATURE REVIEW*

This subject of corporate governance has attracted a lot of attention recently that the following are just one of the few literatures that could be mentioned on the subject and used as a guide throughout the the study. A short summary have been prepared and attached to this report in the appendices. They are :

2.1 *KEEPING GOOD COMPANY*

A Study of Corporate Governance in Five Countries- by Jonathan

Charkham(Jonathan P. Charkham (1995) Keeping Good Company - A study of Corporate Governance in Five Countries. Printed by Oxford University Press 1995.)

2.2 The Cadbury Committee Report:

Financial Aspects of Corporate Governance.

2.3 Corporate Governance: The Board of Directors

Charles A. Anderson and Robert H. Anthony (1992) Harvard Business Review Corporate Governance: The Board of Directors.

2.4 EMPOWERING THE BOARD

How do Boards Draw the Line between Monitoring Performance and Managing the Company (Jay W. Lorsch(1995) Empowering the Board- How do boards

draw the line between monitoring performance and managing the company?

- HARVARD BUSINESS REVIEW January - February 1995)

2.5 Redrawing the Line between the Board and the Chief Executive Officer

- Can an Empowered Board and a Strong Chief Executive Officer Coexist?

(Harvard Business Review March-April 1995- Perspectives)

2.6 CORPORATE GOVERNANCE REINVENTED

The Promise of the Governed Corporation (John Pound(1995) The Promise

of the Governed Corporation - Corporate governance should be

reinvented, not just reformed.

HARVARD BUSINESS REVIEW March-April 1995)
