

TABLE OF CONTENTS

	Page No.
CHAPTER ONE: INTRODUCTION	
Introduction	1
1.1 Background of the Study	2
1.1.1 The Language Problem → The Reading Problem	3
1.1.2 The Benefits of Reading	6
1.2 Statement of the Problem	10
1.3 Purpose of the Study	17
1.4 Significance of the Study	18
 CHAPTER TWO: LITERATURE REVIEW	
Introduction	21
2.1 The Importance of Reading	22
2.2 Reading Resistance in Secondary Schools	23
2.3 Motivating Students to Read	24
2.4 Learner-Centredness in the Selection of Reading Texts	28
2.5 Reading Interests	29
2.5.1 Gender Differences	31
2.5.2 Teen Preferences	32
2.5.3 Prior Knowledge	33
2.5.4 Cultural Background	35
2.6 Reading Materials in Textbooks	39

CHAPTER THREE: METHODOLOGY

Introduction	41
3.1 Sampling	41
3.1.1 Schools	42
3.1.2 Students	42
3.1.3 Teachers	43
3.2 Instruments	44
3.2.1 Student's Questionnaire	44
3.2.2 Teacher's Questionnaire	47
3.2.3 The KBSM English Textbooks for Form 4	48
3.3 The Pilot Study	49
3.4 Data Collection	50
3.5 Limitations of the Study	51

CHAPTER FOUR: DATA ANALYSIS

Introduction	55
4.1 The Language Background	57
4.1.1 Reasons for Learning English	58
4.2 The Reading Background	61
4.2.1 The Reading Environment	63
4.2.2 Reading in L1 and L2	63
4.2.3 Reading Problems	65
4.2.4 Reading from the Textbook	67
4.2.5 Reading Benefits	69

	Page No.
4.3 Reading Interests	72
4.3.1 Sources of Reading Materials	73
4.3.2 Ranking of Reading Interests	75
4.3.3 Comparison of the Most Popular and the Least Popular Reading Interests	85
4.3.4 Ranking of Topics of Interests	90
4.3.5 Comparison of the Most Popular and the Least Popular Topics of Interest	99
4.4 The Reading Passages in Form KBSM English Textbooks	106
4.5 Summary of Findings	113

CHAPTER FIVE: DISCUSSION AND CONCLUSION

Introduction	115
5.1 Views on Reading	115
5.2 The Research Questions	118
5.2.1 How far do setting, gender, stream (science, arts / commerce), and language proficiency contribute towards differences in reading interest among students?	118
5.2.2 What type of text topics would motivate students to read?	121
5.2.3 Is there any mismatch in the ranking of text topics by students and by teachers?	124
5.2.4 How far do the text topics in the reading section of Form Four KBSM English textbooks reflect the reading interest of students?	127
5.3 Implications of the Findings	129
5.4 Recommendations for Future Research	133

BIBLIOGRAPHY		136
APPENDIX A:	Student’s Questionnaire	146
APPENDIX B:	Teacher’s Questionnaire	149
APPENDIX C:	Skill Specifications for the reading component in the KBSM English syllabus for Form 4	152

LIST OF TABLES

Table	Page No.
4.1a	Languages used most
4.1b	Grades obtained for English in the PMR
4.1c	Option to take / not to take English in the SPM
4.1d	Reasons for learning English (from the perspectives of students and teachers)
4.2a(i)	Students' view of the importance of reading in relation to the other language skills
4.2a(ii)	Teachers' view of the importance of reading in relation to the other language skills
4.2b	Students' self-rated proficiency in reading in relation to the other language skills
4.2c	Encouragement in reading
4.2d	Attitude towards reading in L1 and L2
4.2e(i)	Students' reading problems
4.2e(ii)	Students' reading problems as viewed by teachers
4.2f(i)	Reading from the textbook
4.2f(ii)	Reading from the textbook (teachers' views)
4.2g	Complaints about the reading passages in the textbook
4.2h(i)	Reading benefits (students' views)
4.2h(ii)	Reading benefits (teachers' views)
4.3	Interest in free reading
4.3.1a	Students' preferred sources of reading materials
4.3.1b	Teachers' preferred sources of materials for teaching reading
4.3.2a	Ranking of reading interests (by setting)
4.3.2b	Ranking of reading interests (by gender)

4.3.2c	Ranking of reading interests (by stream)	81
4.3.2d	Ranking of reading interests (by language proficiency)	83
4.3.3a(i)	Most popular reading interests (by setting and gender)	86
4.3.3a(ii)	Most popular reading interests (by stream and language proficiency)	86
4.3.3b(i)	Least popular reading interests (by setting and gender)	87
4.3.3b(ii)	Least popular reading interests (by stream and language proficiency)	87
4.3.3c	Comparison of ranking of reading interests by students and by teachers	88
4.3.3d	Mismatch in ranking of reading interests by students and by teachers	89
4.3.4a	Ranking of topics of interest (by setting)	91
4.3.4b	Ranking of topics of interest (by gender)	93
4.3.4c	Ranking of topics of interest (by stream)	95
4.3.4d	Ranking of topics of interest (by language proficiency)	97
4.3.5a(i)	Most popular topics of interest (by setting and gender)	100
4.3.5a(ii)	Most popular topics of interest (by stream and language proficiency)	101
4.3.5b(i)	Least popular topics of interest (by setting and gender)	102
4.3.5b(ii)	Least popular topics of interest (by stream and language proficiency)	103
4.3.5c	Comparison of ranking of topics of interest by students and by teachers	104
4.3.5d	Mismatch in ranking of topics of interest by students and by teachers	105
4.4a	Number of reading passages in KBSM textbooks that relate to the reading interests as ranked by students	107
4.4b(i-iii)	Topics in the reading component of 7 KBSM English textbooks	109-111
