An Ordinance to confer on the High Commissioner power to make regulations on occasions of emergency or public danger.

[7<sup>th</sup> July 1948]

IT IS HEREBY ENACTED by the High Commissioner of the Federation of Malaya and Their Highnesses the Rulers of the Malay States with the advice and consent of the Legislative Council as follows:

1. This Ordinance may be cited as the Emergency Regulations Ordinance, 1948.

2. In this Ordinance –

“notification” includes every order, direction, prohibition, rule, proclamation, notice, notification or decision (other than a regulation) which may be made, notified, given, issued, promulgated or published under or by virtue of the provisions of this Ordinance or of any regulation made thereunder;

“proclamation of emergency” means a proclamation made by the High Commissioner in Council under section 3 of this Ordinance;

“regulation” means a regulation made under this Ordinance.

3. (1) The High Commissioner in Council, whenever it appears to him that an occasion of emergency or public danger has arisen, or that any action has been taken or is immediately threatened by any persons or body of persons of such a nature and on so extensive a scale as to be calculated, by interfering with the supply and distribution of food, water, fuel or

light, or with the means of locomotion, to deprive the community, or any substantial portion of the community, of the essentials of life, may, by proclamation, declare that a state of emergency exists.

(2) Such proclamation may apply to the whole or any specified part of the Federation and, subject to the provisions of sub-section (3) of this section shall remain in force for such period as is therein specified, and, if no period is so specified, shall remain in force until revoked by the High Commissioner in Council by notification in the *Gazette*.

(3) Notwithstanding the provisions of sub-section (2) of this section, every proclamation made under this section shall, but without prejudice to anything previously done by virtue thereof, cease to have effect at the expiration of a period of sixty days from the date on which it was made unless it has been adopted by resolution of the Legislative Council within such period.

4. (1) Where a proclamation of emergency has been made, and so long as the proclamation is in force, it shall be lawful for the High Commissioner to make any regulations whatsoever which he considers desirable in the public interest and to prescribe penalties, including the death penalty, which may be imposed for any offence against any such regulation and to provide for the trial, by such Courts as may be specified in such regulations, of persons guilty of such offences:

Provided that no such regulation shall confer any right to punish by death fine or imprisonment without trial, and that, except in so far as such procedure may be modified by any such regulation, the existing procedure in criminal cases shall apply in respect of any breach of any such regulation or of any offence created by any such regulation in respect of which breach or offence it is sought to make the offender liable to fine or to imprisonment.

(2) Without prejudice to the generality or scope of the powers conferred by sub-section (1) of this section such regulations may be made in respect of any matters coming within the classes of subjects hereinafter specified, that is to say –

- (a) censorship, and the control and suppression of publications, writings, maps, plans, photographs, communications, and means of communication;

- (k) supply and distribution of food, water, fuel, light, and other necessities;
- (l) appropriation, control, forfeiture and disposition of property, and of the use thereof;
- (m) conferring upon himself and upon other public officers or other persons such additional powers as he may consider necessary, including powers to make, issue or give orders, rules, directions, instructions, authorisations [authorizations] licences [licenses] and permits in respect of any matter or thing;
- (n) requiring persons to do work or render services;

- (o) assessment and payment of remuneration or compensation in respect of all matters done under any regulations including work done or services rendered by any person, and the taking, whether permanently or temporarily, of any property, and any damage done to any property, in accordance with or as a consequence of the provisions of any regulation;

- (r) control of prices and regulation or taxation of profits;

- (u) prescription of fees or other payments;
- (v) any other matter in respect of which it is in the opinion of the High Commissioner desirable in the public interest that regulations should be made.

(3) Any regulations made under this section relating to detention shall contain provision –

- (a) that any order of detention made thereunder shall, but without prejudice to the making of any further order or orders in respect of the same individual, be for a period not in excess of two years;
- (b) for the periodic review of the case of each individual under detention;

and detention of any person under provisions of any such regulations shall be without prejudice to the taking of any criminal proceedings against such person during or after the period of his detention and shall not terminate merely by reason of the expiry or revocation of the proclamation declaring the state of emergency.

- (4) Any regulations made under this section shall –
  - (a) unless the High Commissioner otherwise directs, come into force on the day on which they are made, and shall then continue in force so long as the proclamation of emergency is in force unless sooner revoked;
  - (b) have effect only within the area to which the proclamation of emergency applies.

(5) Such regulations shall be published in the *Gazette* as soon as circumstances permit and the revocation thereof shall also be so published.

5. (1) Every regulation and every notification shall have effect notwithstanding anything inconsistent therewith contained in any other written law.

(2) When any regulation or any notification has been made or notified, any cancellation, revocation or amendment of such regulation or notification may be expressed to take effect and shall thereupon take effect from any date stated in the regulation or notification effecting such cancellation, revocation or amendment whether such date be prior or subsequent to the date of the regulation or notification effecting such cancellation, revocation or amendment.

6. The powers conferred by this Ordinance and by any regulations made thereunder shall be in addition to and not in substitution for any powers conferred by or under any other written law from time to time in force.

7. Every person who contravenes any regulation made under this Ordinance shall, where no other penalty is provided by such regulation, be liable to a fine not exceeding one thousand dollars or to imprisonment for a term not exceeding twelve months or to both.

8. The Ordinance and Enactments set out in the Schedule to this Ordinance are hereby repealed.

9. The Essential (Special Emergency) (No. 2) Regulations, 1948, and all amendments thereto, made under section 3 of the Essential Regulations Proclamation, shall, notwithstanding any conflict between any such Regulation and any other written law, be deemed to have been validly and properly made and to have had full effect accordingly from the commencement of such Regulations or amendment as the case may be.

## 共產主義在馬來亞的真面目

——匪徒不敬死人也不重生人——

這些招保華人舉行葬禮時，狠毒的共產匪徒埋下的子彈卻突然爆炸了。  
結果有廿三名送葬者被炸傷，包括婦女及兒童，較後有四人因重傷死亡。

共產主義就是恐怖主義與謀殺主義。

匪徒亂殺人。

共黨匪徒一日未肅清，就一日沒有和平。

迅速的情報可保全無辜的生命。

給情報者既可得賞金，也可幫助維持本邦的安全。

立即供給情報予當局，協助消滅那些攻擊和平人民生計的共匪。

共匪就是人民的公敵。

Risalah bertajuk "Niat Sebenar Komunis di Tanah Melayu – Pengganas tidak menghormati orang telah meninggal dunia dan juga tidak mengambil peduli tentang orang yang masih hidup".

Semasa upacara pengebumian seorang Cina di Ipoh, bom tangan yang ditanam oleh pengganas komunis tiba-tiba meletup. Akibatnya 23 orang cedera, termasuklah wanita dan kanak-kanak, kemudian empat daripadanya mati kerana cedera parah. Dengan itu, kerajaan menyeru supaya maklumat disampaikan kepada pihak berkuasa kerana pengganas komunis adalah musuh kita bersama. Selagi pengganas itu tidak dihapuskan, keamanan negara tidak dapat dipulihkan.

Risalah Darurat No. 527C dengan slogan "Menakik Pokok Getah Bermakna Memusnahkan Manguk Nasi Pekerja".

"Bagaimana pemimpin pengganas komunis membunuh ahli-ahli parti mereka? Disebabkan Ah Mei dalam diarinya mencatatkan menakik pokok getah boleh menjadikan pekerja miskin, dia telah dibunuh oleh Ah Chai atas arahan ketua mereka. Inilah kekejaman yang ditunjukkan oleh pemimpin pengganas komunis terhadap pengikut mereka. Oleh itu, kamu jangan sesekali terpengaruh dengan pengganas komunis dan mengikut jejak mereka!"

### To The Citizens of Tanjong [Tanjung] Malim

This is a letter from me to every householder in Tanjong [Tanjung] Malim. If you are a Communist I do not expect you to reply. If you are not, I want you to give, on this sheet of paper, as much information as you can, to help my forces to catch the Communist Terrorists in your area.

Please give details of any unusual or suspicious behaviour which you have noticed.

Please give as full and as detailed information as you can, and where possible state how you obtained your knowledge.

The sort of information required is as follows:

- What are the names of Communists in your area?
- What shops are supplying food and materials to the terrorists?
- Who are purchasing and transporting food and materials to the Terrorists?
- Who are collecting money for the terrorists?
- Who are the terrorist couriers?
- Who are their recruiting agents?
- Who are the Communists propagandists?
- Who put up Communist flags in Tanjong [Tanjung] Malim and Ulu [Hulu] Bernam?
- Have you seen anyone carrying unauthorised arms?

DO NOT SIGN YOUR NAME UNLESS YOU WISH TO.

Enclose this form in the attached envelope. It will be collected from each household by a British soldier and will be deposited in a locked door. This box will be sent under escort direct to me at Kuala Lumpur.

It is quite safe for you to give all the information you have, since every household must hand in a form like this and none will know which form comes from which house. What I want is information: I do not want to know who it comes from.

Sir Gerald Templer  
HIGH COMMISSIONER
