

**Papers Published and Presented by The Author in the Related Field :**

1. Electrical Conductivity Of Impurity Doped Poly (Vinyl Chloride)  
Author : S. Ramesh, L. Rekha, S. Radhakrishna and A.K. Arof  
*In "Solid State Ionics : Science and Technology" (ed), B.V.R.Chowdari, K.Lal, S.A.Agnihotry, N.Khare, S.S.Sekhon, P.C.Srivastava and S.Chandra, (World Scientific, Singapore, 1998) pp. 201-205.*
2. Electrical Conductivity Studies of Poly (Vinyl Chloride) Based Electrolytes with Double Salt System  
Author : S. Ramesh and A.K. Arof  
*Communicated to Proceedings Of The 12<sup>th</sup> International Conference on Solid State Ionics (Science and Technology), Thessaloniki, Greece (1999).*
