## ACKNOWLEDGEMENTS

This thesis would not have been possible without the advice, contribution, cooperation and help of many individuals to whom I owe a debt of heartfelt gratitude.

First, my supervisor, Associate Professor Dr. Mullai Arunachalam for her guidance and advice. Also I owe my deepest gratitude to Assoc. Prof. Dr. Rajeswari and Assoc. Prof. Dr. Devika Menon for their encouragement, help and faith in me.

My gratitude and thanks also to my colleagues as well as dear friends at The Academy of Language Studies, Universiti Teknologi MARA : Associate Professor Bhajan Kaur, Associate Professor Theyy Rajaretnam, Associate Professor Dr. Kalpana Ponniah, Associate Professor Dr. Bernadette Foo, Associate Professor Dr. Hawa Rohany, Associate Professor Noreha Taib, Associate Professor Asiah Jamil, and Associate Professor Dr. Peter Pereira – for their advice, cooperation and help given freely at all times

I would also like to thank the Part 3 students from the Faculty of Law, class of January 2005.

I owe deep thanks to my mother and late father who were the motivating forces in my academic endeavors. To my mother, for her endless encouragement and prayers, I extend my love and gratitude.

Finally, my love and gratitude goes to my husband, Thomas Richards. Without his understanding, patience and support this work would not have been possible. Not forgetting my children Andrew, Sarah and Joanna for their nightly prayers that their mum would complete her doctoral thesis.

To my mum, husband and children I dedicate this thesis.
