|  |             |
|--|-------------|
| <b>ABSTRACT .....</b>                                  | <b>i</b>    |
| <b>ABSTRAK.....</b>                                    | <b>ii</b>   |
| <b>ACKNOWLEDGEMENTS .....</b>                          | <b>iii</b>  |
| <b>LIST OF FIGURES .....</b>                           | <b>ix</b>   |
| <b>LIST OF TABLES .....</b>                            | <b>x</b>    |
| <b>LIST OF PUBLICATIONS.....</b>                       | <b>xii</b>  |
| <b>DEDICATION .....</b>                                | <b>xiii</b> |
| <b>CHAPTER ONE:INTRODUCTION.....</b>                   | <b>1</b>    |
| 1.1    Introduction .....                              | 1           |
| 1.2    Theoretical Background.....                     | 2           |
| 1.3    Background of the Study .....                   | 6           |
| 1.4    Problem Statement.....                          | 9           |
| 1.5    The Significance of the Study .....             | 9           |
| 1.6    Research Questions and Objectives .....         | 13          |
| 1.7    Contributions of this Research .....            | 15          |
| 1.7.1    Knowledge .....                               | 15          |
| 1.7.2    Managerial and Practitioner Perspectives..... | 15          |
| <b>CHAPTER TWO: LITERATURE REVIEW .....</b>            | <b>17</b>   |
| 2.1    Introduction .....                              | 17          |
| 2.2    Tourism Motivation .....                        | 17          |
| 2.3    Tourism Motivation Theories.....                | 20          |
| 2.3.1    The Expectancy Theory of Motivation .....     | 21          |
| 2.3.2    Hierarchy of Human Needs Theory .....         | 21          |
| 2.3.3    Crompton's Theory .....                       | 22          |
| 2.3.4    The Drive Theory .....                        | 23          |
| 2.3.5    The Means-End Theory .....                    | 23          |
| 2.3.6    Seeking/Escaping Theory .....                 | 24          |
| 2.3.7    Pull and Push Motivation Theory.....          | 25          |
| 2.4    Importance of Tourism Motivation.....           | 31          |
| 2.5    Push and Pull Motivation Relationship .....     | 33          |
| 2.6    Push and Pull Motivation Factors .....          | 36          |
| 2.6.1    Push and Pull Studies .....                   | 36          |

|  |  |           |
|--|--|-----------|
| 2.6.2  | Push Motivational Factors Only.....                                | 47        |
| 2.6.3  | Other Motivation-Based Studies .....                               | 50        |
| 2.7  | Research Gap in Tourism Motivation Literature .....                | 54        |
| 2.8  | Tourist Satisfaction .....   | 55        |
| 2.8.1  | Tourists' Satisfaction and Tourism Motivations .....               | 60        |
| 2.8.2  | Research Gap in Tourist Satisfaction Literature.....               | 67        |
| 2.8.3  | Tourists' Satisfaction and Destination Loyalty .....               | 68        |
| 2.8.4  | Research Gap in Destination Loyalty Literature .....               | 72        |
| 2.9  | Islamic Attributes of Destination .....                            | 73        |
| 2.9.1  | Tourism and Religion.....  | 75        |
| 2.9.2  | Religious Attributes.....  | 77        |
| 2.9.2.1  | Hotels meeting the religious needs of patrons .....                | 77        |
| 2.9.2.2  | Places of worship .....  | 79        |
| 2.9.2.3  | Availability of Halal food .....                                   | 81        |
| 2.9.2.4  | Banning of alcohol consumption and gambling activities .....       | 82        |
| 2.9.2.5  | Sexual permissiveness .....  | 83        |
| 2.9.2.6  | Dress code .....   | 84        |
| 2.9.3  | Tourism and Islam.....   | 86        |
| 2.9.3.1  | Shariah.....   | 86        |
| 2.9.3.2  | Sources of Shariah .....   | 89        |
| 2.9.4  | Shariah Implication on Tourism Practice .....                      | 92        |
| 2.9.5  | Research Gaps in Islamic Attributes of Destination Literature..... | 95        |
| 2.10   | Chapter Summary.....   | 96        |
| <b>CHAPTER THREE: METHODOLOGY AND RESEARCH DESIGN.....</b> |  | <b>97</b> |
| 3.1  | Introduction .....   | 97        |
| 3.2  | Research Methodology .....   | 98        |
| 3.3  | Research Methods .....   | 99        |
| 3.4  | Triangulation Methodology.....                                     | 103       |
| 3.5  | Research Design.....   | 104       |
| 3.6  | Research Questions Revisited .....                                 | 111       |
| 3.7  | Research Objectives Revisited .....                                | 111       |
| 3.8  | Research Framework Revisited.....                                  | 112       |

|   |   |            |
|---|---|------------|
| 3.9                                     | Research Hypotheses .....   | 113        |
| 3.10                                    | Sampling Design .....   | 115        |
| 3.10.1                                  | Interview Sampling Design .....                                       | 115        |
| 3.10.2                                  | Survey Sampling Design.....   | 117        |
| 3.11                                    | Data Collection.....  | 118        |
| 3.11.1                                  | Interview Data Collection .....                                       | 119        |
| 3.11.2                                  | Survey Data Collection .....  | 122        |
| 3.12                                    | Data Analysis.....  | 125        |
| 3.12.1                                  | Interview Data Analysis.....  | 125        |
| 3.12.2                                  | Procedures of Developing IAD Construct .....                          | 126        |
| 3.12.2.1                                | Specify domain of the construct .....                                 | 127        |
| 3.12.2.2                                | Generate sample of items .....  | 127        |
| 3.12.2.3                                | Purify the measures.....  | 128        |
| 3.12.2.4                                | Continuous improvement cycle .....                                    | 128        |
| 3.12.3                                  | Analysis of Survey Data .....   | 130        |
| 3.12.3.1                                | Procedures for exploratory factor analysis.....                       | 130        |
| 3.12.3.2                                | Techniques used in confirmatory factor analysis .....                 | 134        |
| 3.12.3.3                                | Techniques for assessing measurement model .....                      | 136        |
| 3.12.3.4                                | Techniques for structural model assessment and hypothesis testing.... | 138        |
| 3.13                                    | Chapter Summary .....   | 145        |
| <b>CHAPTER FOUR: DATA ANALYSIS.....</b> |   | <b>146</b> |
| 4.1                                     | Introduction .....  | 146        |
| 4.2                                     | Focus Groups and Interviews Results.....                              | 146        |
| 4.2.1                                   | The Tangible Aspects.....   | 147        |
| 4.2.1.1                                 | Prayer facilities .....   | 147        |
| 4.2.1.2                                 | Halal food.....   | 150        |
| 4.2.2                                   | The Intangible Aspects.....   | 151        |
| 4.2.2.1                                 | Islamic entertainment .....   | 152        |
| 4.2.2.2                                 | Lack of consumption of alcoholic drinks.....                          | 154        |
| 4.2.2.3                                 | Islamic dress codes .....   | 154        |
| 4.2.2.4                                 | Islamic morality .....  | 155        |
| 4.3                                     | Developing of Islamic Attributes of Destination (IAD) Construct.....  | 156        |

|           |  |            |
|-----------|--|------------|
| 4.3.1     | Specify Domain of the Construct .....                            | 156        |
| 4.3.2     | Generate Sample of Items .....                                   | 157        |
| 4.3.3     | Purify the Measures.....   | 158        |
| 4.3.3.1   | Cronbach's alpha test results .....                              | 158        |
| 4.3.4     | Continuous Improvement Cycle Results.....                        | 165        |
| 4.3.4.1   | Assessment of reliability and validity by EFA approach.....      | 165        |
| 4.3.4.1.1 | Test of Sphericity and measure of sampling adequacy.....         | 167        |
| 4.3.4.1.2 | Factor extraction.....   | 167        |
| 4.3.4.1.3 | Factor rotation and factor loading .....                         | 168        |
| 4.3.4.2   | Assessment of reliability and validity by CFA approach.....      | 171        |
| 4.4       | Survey Results .....   | 174        |
| 4.4.1     | Data Preparation .....   | 175        |
| 4.4.2     | The Response Rate .....  | 177        |
| 4.4.3     | Respondent Profiles.....   | 177        |
| 4.4.4     | Exploratory Factor Analysis (EFA) results .....                  | 180        |
| 4.4.4.1   | Push motivation factors .....                                    | 181        |
| 4.4.4.2   | Pull motivation factors .....                                    | 184        |
| 4.4.4.3   | Islamic attributes of destination factors.....                   | 186        |
| 4.4.5     | Confirmatory Factor Analysis (CFA) Results .....                 | 188        |
| 4.4.5.1   | Confirmatory factor analysis for push motivations .....          | 189        |
| 4.4.5.2   | Confirmatory factor analysis for pull motivations.....           | 191        |
| 4.4.5.3   | Confirmatory factor analysis for IAD .....                       | 193        |
| 4.4.6     | Measurement Model.....   | 195        |
| 4.4.6.1   | Unidimensionality.....   | 196        |
| 4.4.6.2   | Reliability .....  | 196        |
| 4.4.6.3   | Convergent validity .....  | 197        |
| 4.4.6.4   | Discriminant validity .....                                      | 198        |
| 4.4.7     | Analysis of the Structural Model and Testing of Hypotheses ..... | 199        |
| 4.4.7.1   | Structure model without IAD .....                                | 200        |
| 4.4.7.2   | Structural model with IAD .....                                  | 205        |
| 4.5       | Chapter Summary.....   | 212        |
|           | <b>CHAPTER FIVE: DISCUSSION AND CONCLUSION .....</b>             | <b>213</b> |

|                         |  |            |
|-------------------------|--|------------|
| 5.1                     | Introduction .....   | 213        |
| 5.2                     | Research Overview .....  | 213        |
| 5.3                     | Discussion of Key Research Findings .....                                      | 218        |
| 5.3.1                   | The Positive Effect of Push Motivations on Overall Tourist Satisfaction.....   | 218        |
| 5.3.2                   | The Positive Effect of Pull Motivations on Overall Tourist Satisfaction .....  | 220        |
| 5.3.3                   | The Positive Effect of Overall Tourist Satisfaction on Destination Loyalty.... | 221        |
| 5.3.4                   | The Islamic Attributes of Destination Discussion.....                          | 222        |
| 5.4                     | Research Contributions.....  | 230        |
| 5.4.1                   | Knowledge .....  | 230        |
| 5.4.2                   | Practical Implications.....  | 232        |
| 5.5                     | Limitations and Suggestions for Future Research .....                          | 235        |
| 5.6                     | Conclusion.....  | 237        |
| <b>APPENDICES.....</b>  |  | <b>239</b> |
|                         | Appendix A: English Questionnaire .....  | 240        |
|                         | Appendix B: Arabic Questionnaire .....   | 246        |
|                         | Appendix C: Push and Pull Motivation Items .....                               | 252        |
|                         | Appendix D: Factor Analysis Assumptions .....                                  | 260        |
|                         | Appendix E: Descriptive Statistics for Study Variables.....                    | 261        |
|                         | Appendix F: Halal Tourism Trends .....   | 264        |
