Appendix I – Questionnaire

MBA RESEARCH PROJECT QUESTIONNAIRE

Research Topic: The Relationship of Organizational Culture and Innovation

Dear Sir / Madam,

This questionnaire is conducted as part of a research project, which shall be submitted in part completion of the Master of Business Administration from University of Malaya. The objectives of the paper are to investigate the relationship between organizational culture and innovation. It is also to find out how does the organizational culture influence the innovation of the organization.

I would be grateful if you could participate in this survey by filling up attached questionnaire. This questionnaire is constructed in straightforward and easy to answer. Please be assured that all information will be treated with the strictest confidentiality and only the aggregate data will be analyzed.

Thank you for your valuable assistance in participating in the survey.

Yours sincerely,
Ng Yu Seen
