

ACKNOWLEDGEMENT

I would like to take this opportunity to express my gratitude for all the support, supervision and encouragement that have given to me throughout this research project. Without these supports, I would never able to complete my research project.

First of all, I would like to dedicate my utmost appreciation to my research project supervisor, Mr Cyril Ponnu, for his continuous supports throughout the whole progress of this research project. His passion on academic, guidance, patient and encouragement had greatly motivated me to move forward and persevere with this challenging task.

I would also like to express my sincere thanks to all the respondents that have spent their valuable time to participate in filling up the questionnaire for this project especially for those who have also voluntary in helping me to distribute the questionnaire along the data collection process. Thanks for all that has handed their sincere supports and constructive advices to me along the completion of the project.

Lastly, I also wish to thanks for my beloved parents who have always support me from their heart and soul at all times.
