

ACKNOWLEDGEMENT

In the name of Allah, the most gracious and the most merciful, praise be to Allah, the Lord of the worlds, who let me finished my project paper right on time and without any misfortune.

I am indebted to the Custodian of the Two Holy Mosques, King Abdullah ibn Abd Al- Aziz Al Saud- may Allah guard him for his ceaseless effort and financial support, and special thanks to Dr, Musaed Al- Jarrah the head Manger of Saudi Arabia Culture Attaché in Malaysia for his valuable assistance.

I would like to express my sincere thanks to my supervisor, Dr. Salmah Ismail, and Assoc. prof. Dr. Mahmood Ameen Abdulla for giving the opportunity to carry out this study and providing me endless support and guidance. In addition, I would like to acknowledge Assoc. Prof. Dr. Mohd Yasim bin Md Yusof of the Microbiology Laboratory of UMMC for kindly providing the MRSA samples.

My grateful knowledge to my sister Nadia for her valuable advice and guidance never last. Thanks a lot also to Mr. poya, Mr. abudrabh for their help during my work.

Finally, my heartfelt gratitude to my beloved husband, son, parents, who have helped me to come here from far away from my country and finished my master's degree, for their love encouragement and moral support.

A special thanks to all those who has lent a finger in making this project a success. Thank you from the bottom of my heart
