## APPENDIX B: THE QUESTIONNAIRE RESPONSES

### Responses to Question Number (1)

1. You have borrowed your friend's notes and because of the rain yesterday, some of the notes have been wet and damaged. What would you say when you want to return the notes?

**Male (1):** I've got your notes here but they are not in a good condition. I'm *really* sorry! I can type and then print them out for you if you want.

**Male (2):** I'm sorry buddy! Your notes have been damaged because of raining yesterday. Don't worry about it, I would prepare the exact copy of your notes and I'll give you in only one day.

**Male (3):** Unfortunately on my way back to home it started to rain and I couldn't protect your notes, so some of them are wet or damaged. I am terribly sorry and hope to make it up to you.

**Male (4):** It is inconsiderate of me that I could not take care of your notes properly. I apologize!

**Male (5):** I feel ashamed. Your notes got wet because of the rain. I'll make it up to you by copying them.

**Male (6):** I apologize! Your notes have been damaged because of the rain, so I have copied them.

**Male (7):** I am so sorry about that! Please forgive me! Is there anything I can do about it? I can rewrite them for you.

**Male (8):** Your notes got wet because of the rain.

**Male (9):** Your notes have been wet and damaged because of the rain. I'll help u to retrieve and rewrite them.

**Male (10):** I am sorry for what happened, although I didn't do it on purpose.

**Male (11):** I'm so sorry, hehe, take it easy.

**Male (12):** I really apologize! I will solve the problem.

**Male (13):** It wasn't my fault, this bloody rain damaged your notes. I'll write them nicely and give them back to you.

**Male (14):** Your notes have been damaged because of the rain, but I'll do my best to make it up to you.

**Male (15):** I've made a fresh copy of your notes.

**Male (16):** I'm sorry!

**Male (17):** I'm really sorry! The rain has damaged some of your notes. I tried my best to protect them, but I couldn't. Is there anything I could possibly do for you? If you have the soft copy, I'll print out the notes.

**Male (18):** I'm so embarrassed. Please accept my apology.

**Male (19):** I am terribly sorry! Let me do something to make it up to you.

**Male (20):** I'm really so sorry! I didn't want to do that, but let me find another notes for you then. Sorry again dude!

**Female (1):** I want to tell you something about your notes, unfortunately your notes got wet in the heavy rain yesterday and it wasn't my fault. I am so sorry about that. If you let me, I will copy them. Sorry again.

**Female (2):** I am so sorry that I gave you this bad experience. I will never forgive myself because of my carelessness, please forgive my fault.

**Female (3):** I'm so so sorry, I didn't take good care of your notes. Some parts have been damaged because of the rain. I'll rewrite them for you if you want. Do you think you can still use them?

**Female (4):** I know I'm guilty and I will try to find notes and write them to you as soon as possible.

**Female (5):** I am so sorry some notes became wet. I will try to make it up to you.

**Female (6):** I am so sorry my dear, but it was out of my control, they got wet because of the rain. How can I make it up to you?

**Female (7):** I am terribly sorry for what happened! It was raining cats and dogs. I am so sorry! If you can wait I will do my best to prepare a new copy of what you gave me.

**Female (8):** The notes I borrowed were damaged in the rain. I'm really sorry about that! It happened accidentally. I was really worried and didn't know how to return it.

**Female (9):** I really don't know how to apologize!! It happened and was out of my control. I'm so sorry!

**Female (10):** I am really sorry but it was not my mistake and it was out of my control.

**Female (11):** I'm so ashamed to say that some of the notes have been damaged. It was rainy. I should have taken an umbrella. I tried to write it again but it didn't work. Is there anybody else who has these notes? Sorry again!

**Female (12):** I copy them or write them again.

**Female (13):** I would like to appreciate you for what you have done for me. Thanks a lot.

**Female (14):** I'm ashamed.

**Female (15):** Dear friend, I'm so so so sorry! The rain damaged your notes yesterday and it was not really my fault. I feel awful. Let me rewrite or copy them for you.

**Female (16):** I'm very very sorry that your notes got wet but God knows it wasn't my fault because the rain ruined them. I hope it doesn't upset you as I have copied all of them.

**Female (17):** I'm ashamed to say it, but the pamphlets you gave me got wet yesterday, sorry... Should I write the notes again for you in a clean paper?

**Female (18):** I'm so sorry! I do apologize for ruining your notes.

**Female (19):** I don't know what to say but I'm really sorry! If you want I can fix it.

**Female (20):** Let me tell you what happened. I'll make it up to you.

## Responses to Question Number (2)

2. You have promised to deliver a lecture in class but due to a very bad cold, you have not been able to even attend the class. What would you say to your professor the next session you attend the class?

**Male (1):** I'm really sorry that I couldn't attend the class last week. I came down with a bad cold. I have the MC here. I'll surly deliver it next session.

**Male (2):** I'm terribly sorry professor! I've got a bad cold and I couldn't do anything. I would do that in the next session if you don't mind.

**Male (3):** I know I was supposed to bring a lecture for the last session, but I was hardly sick and couldn't attend the class. I hope you believe and forgive me. Please give me another chance to bring the lecture for the class in the coming sessions.

**Male (4):** Unfortunately I caught a bad cold and that is why I could not attend the class. I am so sorry that I was not able to deliver the lecture due to my illness. Please give me one more chance to deliver the lecture.

**Male (5):** I had a terrible cold.

**Male (6):** I'm really sorry! I was terribly sick. I'm ready to deliver it now.

**Male (7):** I feel really sorry for not managing to attend the class! Actually, I did what I could do to attend the class, However it sounded as though everything was against me: I could not start my car because the engine was frozen. The public transportation in our neighborhood was not in service. The phone cabs were not working and I couldn't come on foot as my place is so far away from here.

**Male (8):** It happened because of family wedding party. I had too much works to do.

**Male (9):** I apologize, may I present it next time?

**Male (10):** I apologize! I missed the last session due to a terrible cold. Is there any chance to present it next session?

**Male (11):** Please accept my apology.

**Male (12):** I apologize! Would you please determine next session for my lecture.

**Male (13):** Sir/madam: this is my MC regarding last session I'm too sorry but due to my physical and mental situation had to do my medication.

**Male (14):** I was terribly sick. Here is my MC as a proof.

**Male (15):** I'm extremely sorry about what happened last week. I had a very bad cold.

**Male (16):** I had a terrible cold last week. I would be grateful if you would kindly let me deliver it next session.

**Male (17):** I'm terribly sorry Prof for not showing up yesterday. I wasn't feeling well and had to stay in bed all day long. I tried to contact you but I couldn't find your telephone number. Please accept my apologies.

**Male (18):** So sorry Prof! Due to some unpredictable events I couldn't attend the class. I was horribly sick and I will bring the physician's confirmation note.

**Male (19):** Sorry Prof! I could not make it due to bad cold. I hope you don't mind.

**Male (20):** Sir, I had a very bad cold last week. That does why I couldn't attend the class. I was wondering if you could give me another chance to deliver my lecture next week. Please accept my excuse.

**Female (1):** I don't know how to say, I really was in trouble because of the bad cold and it is very kind of you to let me present next session.

**Female (2):** I'm so sorry! I feel awful about it.

**Female (3):** I'm really sorry! I was terribly sick and I couldn't even leave the room for 2 days. I've seen a doctor and I have the doctor's letter. I'd really appreciate it if you would give me another chance to deliver it next time. I have all the presentation ready.

**Female (4):** It was not in my hand and I couldn't do anything.

**Female (5):** I am sorry! I had a very bad cold. I will present two topics instead of one next session.

**Female (6):** Please accept my apologies. I do my best and promise to deliver a lecture during this semester.

**Female (7):** I am really sorry for any inconveniences that I caused for the class schedule. I had a very bad cold and I could not attend the class. I am sorry again and I am ready to do deliver it next session if it's possible.

**Female (8):** Oh Prof. I am really sorry to say that I was sick all of the week. Would you please give me a chance to deliver it next time?

**Female (9):** Prof., please accept my apology. I had a severe cold and I was not able to go out of the bed. I promise to make it up.

**Female (10):** I apologize! Due to some health problems I could not prepare my lecture and attend the class. I expect you to accept my excuse.

**Female (11):** I was ready to do my best but I had a very bad cold. May you give me another opportunity to deliver it next week?

**Female (12):** Really sorry!

**Female (13):** I apologize for what happened. It made me embarrassed.

**Female (14):** I apologize! May I deliver it next time? I can't talk because of the bad cold.

**Female (15):** I'm so so sorry! I had a very bad cold .I'd like to deliver it next time if you accept.

**Female (16):** Sorry Prof. /Dr. .... I had a terrible cold and headache. I am ready to deliver my lecture next week if you want me to do.

**Female (17):** Sorry to be unorganized but I got a bad cold and couldn't really make it. Is it possible for you to give me a second chance? I'll deliver it next week.

**Female (18):** Excuse me! I had a bad cold and I wasn't able to go out. May I ask you to postpone the date of my lecture? I'm really sorry! I promise to deliver it next week.

**Female (19):** I'm really sorry that I missed it, but you know I was very sick and I couldn't make it.

**Female (20):** I'm sorry that I couldn't make it.

**Male (5):** I totally forgot the case. Tomorrow I will take you to another entertainment center

**Male (6):** I apologize dear! I got in trouble today. Let's go somewhere else that you like more now.

**Male (7):** So sorry my dear! I was stuck in traffic jam. How would you like me to make up?

**Male (8):** I usually forget many stuffs .I promise to take you to the cinema in near future. Here is an ice cream for you and Let me kiss and hug you honey.

**Male (9):** I'm sorry. Let's go to the cinema another day.

**Male (10):** I'm sorry! We will go to the cinema tomorrow.

**Male (11):** I'm really sorry honey! I tried a lot to come back home on time, but I couldn't. I'll take you tomorrow, believe me please.

**Male (12):** I apologize! I will take you somewhere else. It will not happen again.

**Male (13):** Sorry (kiss), we will go tomorrow, promise promise promise.

**Male (14):** I am sorry! Let me tell the truth. Promise to take you to the cinema next time.

**Male (15):** I apologize! I'll make it up as soon as possible.

**Male (16):** I take you to the cinema even though it's late.

**Male (17):** I'm so sorry! I really forgot. It was very inconsiderate of me. Shall we go now or some other time?

**Male (18):** Sorry babe! I am an idiot and absent-minded.

**Male (19):** Shit! I totally forgot. Do you accept my apologies? What if I get you a damn nice gift?

**Male (20):** Oh darling, I forgot to come. Let's go to cinema now. I want to treat you a nice dinner.

**Female (1):** I am so shy for that. I promise not to do it again. Instead, I will take you a better place.

**Female (2):** I am so sorry!

**Female (3):** I totally forgot about today! I'm really, really sorry! Why didn't you call me to remind me? You know how forgetful I am! What can I do to make it up to you? ☺ Let's see if we can catch the last session!

**Female (4):** I was busy too much. You should have reminded me. I will postpone my other plans and take you to the cinema.

**Female (5):** I am so sorry sweetheart! I was so busy that I even forgot about that. Promise I'll take you out next week Insha'Allah.

**Female (6):** I am so sorry! I know you are right to be angry and disappointed. How can I make it up to you?

**Female (7):** I am sorry honey! I am so busy these days that I forgot my promises. Now if you have forgiven me let's go out and have fun!

**Female (8):** Oh dear, I was too busy today. We can make it for another time.

**Female (9):** I'm so sorry sweet heart! I totally forgot. Never happens again.

**Female (10):** I love u babe! Maybe we can have another program on weekend and spend the whole day together.

**Female (11):** I'm so sorry sweetie. I was so busy and forgot. Tomorrow ok?

**Female (12):** So sorry! Now we can go to the cinema as well as dinner.

**Female (13):** I am so sorry! Let's go next time.

**Female (14):** I'll take you there tomorrow dear.

**Female (15):** Excuse me dear! I had a lot of work and I forgot it. Why you didn't remind me? We will go there tomorrow Insha'Allah.

**Female (16):** Hi darling (hug & kiss him/her), I am so sorry! I was really busy and forgot we were supposed to go to the movies. Tomorrow I can take you to the park instead ...what's your idea?

**Female (17):** I'm so so sorry honey! I totally forgot about it. What about tomorrow? What should I do to compensate my mistake?

**Female (18):** I'm really sorry my sweetheart! How can I compensate it?

**Female (19):** I completely forgot. Sorry honey! I promise that we will go by next week. I will buy everything for you as a penalty.

**Female (20):** I'm really ashamed. Please forgive me! I promise to compensate it to you.

## Responses to Question Number (6)

6. You have been supposed to meet your close friend at the university library to exchange some books and you get there an hour later and find your friend still waiting for you at the library. What would you say to your friend as you see her?

**Male (1):** I'm terribly sorry! I mustn't have forgotten about it. It was very stupid of me, and I'm very sorry again.

**Male (2):** Excuse me buddy, I'm late. I overslept. Thanks for waiting.

**Male (3):** I am really sorry! I know I am late and I hope you accept my apology.

**Male (4):** I am so sorry that I could not come on time and please accept my apologies.

**Male (5):** I really appreciate you as a person that I can always count on. It means a lot to me.

**Male (6):** I apologize, there was a heavy traffic.

**Male (7):** I am so sorry and annoyed my darling for keeping you waiting here! I should have been here much earlier. I have been through a hectic schedule today. Let's kiss and I promise it won't happen again.

**Male (8):** I smile.

**Male (9):** I am sorry!

**Male (10):** It is really sweet of you waiting for me and I want to make it up by buying something for you.

**Male (11):** Sorry for my delay, I was in the traffic.

**Male (12):** I apologize, there was a heavy traffic.

**Male (13):** I love you... so sorry!

**Male (15):** I was stuck in traffic jam.

**Male (16):** I'm sorry for being late!

**Male (17):** Sorry for keeping you wait!

**Male (18):** I'm down in the mouth buddy!

**Male (19):** I know how upset you are but I hope you excuse me.

**Male (20):** I'm sorry! I got stuck in traffic.

**Female (1):** I am sorry friend! It wasn't my fault, sometimes everything is organized to make you late.

**Female (2):** I am so sorry! God knows this wasn't my fault.

**Female (3):** I'm really sorry honey! I got stuck in traffic. I tried to call you but I couldn't reach you. Are you bored? Let's go have a drink! My treat! 😊

**Female (4):** I'm so sorry! I really forgot our appointment.

**Female (5):** Sorry for being late! It will never happen again.

**Female (6):** Let's go and have a drink first to make it up to you. Hope you forgive me as it wasn't my fault. So sorry!

**Female (7):** I am terribly sorry! What about a cup of coffee in the lib Buffett?

**Female (8):** I am really sorry! There was a very heavy traffic.

**Female (9):** I'm sorry for my delay! You are right to be angry.

**Female (10):** I am really embarrassed to make you wait for me for a long time.

**Female (11):** There was a heavy traffic and I couldn't call you.

**Female (12):** Something happened and I got here late.

**Female (13):** I'm so sorry buddy!

**Female (14):** I don't deserve such a nice friend like you.

**Female (15):** Pardon me dear! I was stuck in traffic. Let's drink something on me.

**Female (16):** Sorry for my delay! It was my fault. Hope you are not sad ..love you

**Female (17):** I'm so sorry to keep you wait dear.

8. You were expected by your supervisor to discuss some of your problems but due to a heavy traffic, you are 45 minutes late. What would you say to your supervisor as you see him/her?

**Male (1):** I'm really sorry! There was a heavy traffic jam and although I left home on time I ended up late.

**Male (2):** I'm really sorry professor! I was stuck in heavy traffic for more than one hour. It won't happen again.

**Male (3):** Sorry professor! I didn't assume there would be a heavy traffic today, that's why I'm late. I promise to be on time after this.

**Male (4):** I am sorry that I could not come on time due to the traffic jam. I promise it will not happen again.

**Male (5):** I would try not to enter the class and skip it.

**Male (6):** Really sorry Prof!

**Male (7):** I am truly sorry for being late! I should have at least notified you of it. You know, my cell phone was out of credit.

**Male (8):** I'm really sorry about it! It was my fault.

**Male (9):** I am so sorry! I was stuck in a traffic jam.

**Male (10):** I wish I could come on time but due to the traffic jam I could not, so please accept my apology sir.

**Male (11):** Please accept my apology for not being a good and on time student. I was in traffic.

**Male (12):** I apologize! It will not happen again.

**Male (13):** Here is KL; you are the victim of being late when it rains. Sorry sir!

**Male (14):** I am sorry for being late! I was stuck in the heavy traffic jam.

**Male (15):** I apologize! I promise not to let it happen again.

**Male (16):** I got stuck in the traffic.

**Male (17):** Sorry for being late! I got stuck in traffic jam.

**Male (18):** I'm totally shameful. I just got stuck in traffic.

**Male (19):** I'm so sorry! I really was stuck in a bad situation.

**Male (20):** Dear supervisor, I'm really sorry for the delay! I was stuck in a heavy traffic.

**Female (1):** I am so sorry! I was stuck in a very heavy traffic.

**Female (2):** I blame myself, please forgive me.

**Female (3):** I'm really sorry Prof/Dr. It was jammed everywhere. I was even stuck in the jam on campus for 20 minutes! I hope you haven't missed any of your plans because of this.

**Female (4):** Sorry Dr.! I tried to come sooner but traffic was really heavy and I couldn't do anything.

**Female (5):** I am so sorry sir! The traffic was so heavy. It's my fault; I was supposed to leave earlier.

**Female (6):** I am terribly sorry! I was stuck in traffic and there was no way I could get out of it and arrive earlier. Please forgive me!

**Female (7):** I am really sorry! I tried to contact you but I couldn't. I m really sorry! It will not happen again.

**Female (8):** Oh, Prof. I know I am late, but there was a heavy traffic.

**Female (9):** I'm sorry Prof. for my delay! It was a terrible jam. Sorry to make you waiting.

**Female (10):** Please pardon me. It was completely out of my control you know the rush hours.

**Female (11):** I really apologize for being late. There was a heavy traffic.

**Female (12):** I'm sorry but it is the fault of the traffic. Sorry!

**Female (13):** I'm terribly sorry!

**Female (14):** Excuse me! It's my fault. It will not happen again.

**Female (15):** I'm really sorry! There was a heavy traffic. It will not happen in future.

**Female (16):** Hello Prof./Dr....., I'm sorry for being late! I always try to be on time but today I was stock in a very heavy jam ...I'm sorry again!

**Female (17):** I'm really sorry! There was a heavy traffic. I was stuck there.

**Female (18):** Sorry! I was stuck in traffic. I hope I didn't waste your time. I promise this is the last time.

**Female (19):** Excuse me! I was stuck in heavy traffic jam.

**Female (20):** I will tell the truth of traffic and try to impress her by my extra work.
