

APPENDICES

Appendix J

Conference Oral Presentation and Publications

1. Oral and Technical Presentation entitled "Evaluation of Solid Phase Micro Extraction with Standard Testing Method for Formaldehyde Determination" in the *ICBEC 2012: International Conference on Biology, Environment and Chemistry by the World Academy of Sciences, Engineering and Technology (WASET)* at Pacific Regency Hotel Suites, Kuala Lumpur on February 19-21, 2012
2. Oral and Technical Presentation "Determination of Formaldehyde by Spectrophotometry and Chromatography Methods" in the *17th MCC: Malaysian Chemical Congress (17MCC) 2012* by the Institut Kimia Malaysia (IKM) at Putra World Trade Centre, Kuala Lumpur, Malaysia on October 15-17, 2012
3. Full research paper entitled "Evaluation of Solid Phase Micro Extraction with Standard Testing Method for Formaldehyde Determination" was published in *World Academy of Science, Engineering and Technology* (2012) 62.
4. Full research paper entitled "Integration of Headspace Solid Phase Micro-extraction with Gas Chromatography for Quantitative Analysis of Formaldehyde" was published in *Bulletin of the Korean Chemistry Society* (2013), 34(1), 139. doi.org/10.5012/bkcs.2013.34.1.139 (*ISI-Cited* publication)
