

# PARTICIPATIONS

**1. Genetic Congress 2009: Oral presentation**

**Title: Development of Microsatellite using Partial genomic library approaches in Malaysian Snakehead, *Channa striata***

**2. MSMBB 2009: Poster presentation**

**Title: Cross Amplify of Common Carp (*Cyprinus carpio* L.) on *Channa striata***

**3. Asian Pacific Aquaculture 2009: Poster Presentation**

**Title: Genetic Population Structure of Wild Snakehead fish, *Channa striata* in Malaysia inferred using Microsatellite Markers.**
