

Table 6.2 Faunal lists of Late Middle Pleistocene mammals fossil.

Taxa	Y	W	D	M	TK	TO	HH	KL	TH	PL	TWN	TPKP	T	N
Insectivora														
Erinaceidae														
<i>Hylomys suillus</i>														+
<i>Neotetracus cf. sinensis</i>		+												
Soricidae														
<i>Soriculus</i> sp.		+												
<i>Crocidura fuliginosa</i>														+
<i>Crocidura</i> sp.		+												
<i>Anourosorex</i> sp.		+												
Chiroptera														
Chiroptera gen. et sp. indet.					+									
Pteropodidae														
<i>Pteropus</i> sp.														+
Hipposideridae														
<i>Hipposideros</i> sp.		+												
Vespertilionidae														
? <i>Scotomanes</i> sp.		+												
Primates														
Cercopithecidae														
<i>Macaca</i> sp.		+	+		+	+	+	+	+					
<i>M. cf. assamensis</i>					+			+						
<i>M. fascicularis</i>														+
<i>M. cf. nemestrina</i>													+	
<i>M. mulatta</i>								+						

Table 6.2, continued

Taxa	Y	W	D	M	TK	TO	HH	KL	TH	PL	TWN	TPKP	T	N
<i>Macaca cf. andersoni</i>									+					
<i>Presbytis</i> sp.		+												+
<i>Trachypithecus</i> sp.														+
? <i>Trachypithecus/Presbytis</i>									+					
<i>Semnopithecus</i> sp.								+						
<i>Rhinopithecus</i> sp.			+											
<i>Pygathrix roxellana</i>	+													
Hylobatidae														
<i>Hylobates</i> cf. <i>concolor</i>						+								
<i>H. sericus</i>	+													
<i>Hylobates</i> sp.			+				+	+	+					
Hominidae														
<i>Gigantopithecus blacki</i>			+		+									
<i>Pongo pygmaeus</i>		+			+		+	+	+	+				
<i>Pongo</i> sp.			+											
<i>Homo</i> sp.														+
<i>H. erectus</i>					+									
<i>H. cf. erectus</i>									+					
<i>H. sapiens</i>						+	+	+						
Rodentia														
Sciuridae														
<i>Belomys</i> sp.		+												
<i>Callosciurus finlaysoni</i>														+
<i>Callosciurus</i> sp.		+												+
<i>Hylopetes spadiceus</i>														+
<i>Menetes berdmorei</i>														+

Table 6.2, continued

Taxa	Y	W	D	M	TK	TO	HH	KL	TH	PL	TWN	TPKP	T	N
Muridae														
<i>Petaurista petaurista</i>														+
<i>Sciurotamias</i> sp.		+												
<i>Vandeleuria oleracea</i>														+
<i>Chiromyscus chiropus</i>														+
<i>Hapalomys delacouri</i>		+												+
<i>Chiropodomys gliroides</i>		+												+
<i>Bandicota savilei</i>														+
<i>Mus</i> sp.					+			?						+
<i>Mus shortridgei</i>														+
<i>Mus pahari</i>		+												+
<i>Mus cookii</i>														+
<i>Mus cervicolor</i>														+
<i>Mus caroli</i>														+
<i>Maxomys</i> cf. <i>niviventer</i>														+
<i>Maxomys surifer</i>														+
<i>Niviventer bukit</i>														+
<i>Niviventer</i> sp.		+												+
<i>Niviventer confuciacus</i>														+
<i>Rattus</i> sp.		+			+			+						+
<i>Rattus argentiventer</i>														+
<i>Rattus rattus</i>			+											+
<i>Rattus koratensis</i>														+
<i>Leopoldamys sabanus</i>									+					+
<i>Leopoldamys</i> sp.		+												+
Hystricidae														
<i>Hystrix hodsoni subcristatus</i>														+

Table 6.2, continued

Taxa	Y	W	D	M	TK	TO	HH	KL	TH	PL	TWN	TPKP	T	N
<i>Hystrix subcristata</i>		+	+		+	+	+	+	+					
<i>Hystrix</i> sp.				+	+									
<i>Hystrix brachyura</i>									+					
<i>Atherurus</i> sp.			+		+	+	?							
<i>Atherurus</i> cf. <i>macrourus</i>		+						+						
Spalacidae														
<i>Cannomys badius</i>													+	
<i>Rhizomys sinensis troglodytes</i>														
<i>Rhizomys</i> cf. <i>troglodytes</i>					+		+	+	+					
<i>Rhizomys</i> sp.						+								
Platacanthomyidae														
<i>Typhlomys cinereus</i>		+												
Carnivora														
Canidae														
<i>Cuon javanicus antiquus</i>	+	+					+		+					
<i>Cuon javanicus</i>		+												
<i>Cuon alpinus</i> cf. <i>antiquus</i>									+					
<i>Cuon</i> sp.					+	+	+							
<i>Nyctereutes</i> sp.							+							
Ursidae														
<i>Ursus thibetanus kokeni</i>	+				+	+	+	+	+					
<i>Ursus thibetanus</i>		+	+										+	
<i>Helarctos malayanus</i>					+				+				+	
Ursidae indet. (<i>Ursus</i> / <i>Helarctos</i>)									+					
<i>Ursus angustidens</i>									+					
<i>Ailuropoda melanoleuca baconi</i>		+		+									+	
<i>Ailuropoda melanoleuca fovealis</i>			+		+	+		+						

Table 6.2, continued

Taxa	Y	W	D	M	TK	TO	HH	KL	TH	PL	TWN	TPKP	T	N
Mustelidae														
<i>Charronia flavigula tyrannus</i>	+													
<i>Arctonyx collaris rostratus</i>	+								+		+			
<i>Arctonyx collaris</i> cf. <i>rostratus</i>					+	+	+	+	+					
<i>Arctonyx collaris collaris</i>	+													
<i>Arctonyx collaris</i>		+	+											+
? <i>Martes</i> cf. <i>flavigula</i>									+					
<i>Martes flavigula</i>														+
<i>Meles meles</i>									+					
<i>Melogale personata</i>									+					
<i>Martes</i> sp.										+				
Viverridae														
<i>Viverra zibetha expectata</i>	+													
<i>Viverra</i> cf. <i>zibetha</i>						+								
<i>Viverra zibetha</i>									+					
<i>Viverricula malaccensis</i>				+										
<i>Viverricula malaccensis fossilis</i>				+										
Viverridae indet.									+					
<i>Paradoxurus</i> sp.		+					+							
<i>Paradoxurus</i> cf. <i>hermaphroditus</i>					+		+	+						
<i>Paradoxurus hermaphroditus</i>									+				+	
<i>Paguma larvata</i>				+			+						+	
Hyaenidae														
<i>Crocuta crocuta sinensis</i>	+													
<i>Crocuta crocuta ultima</i>									+	+	+	+		

Table 6.2, continued

Taxa	Y	W	D	M	TK	TO	HH	KL	TH	PL	TWN	TPKP	T	N
Felidae														
<i>Felis (Panthera) tigris</i>	+	+				+	+	?	+	+	+			+
<i>Felis (Panthera) pardus</i>		+					+	?			+			
<i>Felis</i> sp.	+					+								
<i>Felis teilhardi</i>		+												
<i>Neofelis nebulosa</i> ssp.							+							
<i>Neofelis nebulosa</i> cf. <i>primigenia</i>							+							
<i>Prionailurus</i> cf. <i>bengalensis</i>									+					
Proboscidea														
Stegodontidae														
<i>Stegodon orientalis</i>	+	+	+	+	+	+	+	+	+					
<i>S. trigonocephalus</i>														+
Elephantidae														
<i>Elephas maximus</i>		+									+			
<i>E. namadicus</i>	+			+	?		+		+				+	
<i>Elephas</i> cf. <i>namadicus</i>						+	+							
<i>Elephas hysudrindicus</i>														+
<i>Elephas</i> sp.									+					
Perissodactyla														
Chalicotheriidae														
<i>Nestoritherium sinense</i>	+													
Tapiridae														
<i>Megatapirus augustus</i>	+	+	+		+	+	+	+	+					
<i>Tapirus indicus</i>		+									+			+
<i>T. indicus</i> cf. <i>intermedius</i>							+		+					
<i>T. indicus intermedius</i>											+			
<i>Tapirus</i> sp.					+	+								

Table 6.2, continued

Taxa	Y	W	D	M	TK	TO	HH	KL	TH	PL	TWN	TPKP	T	N
Rhinocerotidae														
<i>Rhinoceros sinensis</i>	+	+	+		+	+	+	+						
<i>Rhinoceros cf. sinensis</i>									+					
<i>Rhinoceros unicornis</i>									+		+			
<i>Rhinoceros sondaicus</i>									+		+	+	+	
<i>Rhinoceros sondaicus guthi</i>										+				
<i>Rhinoceros</i> sp.				+		+			+					
<i>Dicerorhinus sumatrensis</i>									+					
Rhinocerotina indet.									+					
Artiodactyla														
Suidae														
<i>Sus scrofa</i>	+	+			+	+	+	+	+		+			
<i>S. cf. scrofa</i>									+					
<i>S. cf. barbatus</i>									+		+			
<i>Sus bijiashanensis</i>			+											
<i>Sus</i> sp.			+	+	+	+		+	+		+		+	
<i>Sus lydekeri</i>									+					
<i>Sus cf. lydekeri</i>					+		+	+						
<i>Sus cf. officinalis</i>							+							
<i>Sus brachgnathus</i>														?
<i>Sus macrognathus</i>														+
Cervidae														
<i>Muntiacus muntjak</i>					+			+	+		+			
<i>Muntiacus cf. muntjak</i>									+					
<i>Muntiacus</i> sp.		+	+			+		+						
<i>M. muntjac margae</i>	+													
<i>M. muntjac cf. margae</i>						+								

Table 6.2, continued

Taxa	Y	W	D	M	TK	TO	HH	KL	TH	PL	TWN	TPKP	T	N
<i>Cervus unicolor</i>	+				+	+	+	+	+	+	+			
<i>Cervus</i> sp.				+	+	+	+	+					+	+
<i>Cervus</i> sp. indet.		+	+											
<i>Cervus eldi</i>									?		+			
<i>Rusa</i> cf. <i>leptodus</i>										+				
Cervinae indet.											+	+		
<i>Elaphodus</i> sp.						+								
<i>E. cephalophus megalodon</i>	+													
<i>Axis porcinus</i>									?		+	+		
Moschidae														
<i>Moschus moschiferus plicodon</i>	+													
Hippopotamidae														
<i>Hexaprotodon</i> sp.													+	
<i>Hexaprotodon sivalensis</i>														+
Tragulidae														
<i>Tragulus javanicus</i>											+			
Bovidae														
<i>Bubalus bubalis</i>	+				+	+	+	+	+		+			
<i>Bubalus</i> cf. <i>bubalis</i>									+	+				
<i>Bubalus palaeokerabau</i>														+
<i>Bos sauveli</i>									+		+			
<i>Bos</i> cf. <i>sauveli</i>									+					
<i>Bos geron</i>									+					
<i>Bos frontalis</i>	+				+	+	?							
<i>B. frontalis</i> cf. <i>grangeri</i>							+							
<i>B. javanicus</i>											+			

Table 6.2, continued

Taxa	Y	W	D	M	TK	TO	HH	KL	TH	PL	TWN	TPKP	T	N
Bovinae gen.et sp. indet.		+		+									+	
<i>Bibos palaesondaicus</i>														+
<i>Bos</i> sp.		+												
<i>Capricornis sumatraensis</i>	+	+				+		+	+		+	+		
Caprinae gen.et sp. indet.			+				+							
<i>Naemorhedus goral</i>	+										+			
<i>Nemorhaedus</i> cf. <i>caudatus</i>									+					
<i>Naemorhedus</i> sp.										+				
<i>Duboisia santeng</i>													+	

South China (Yenchingkou = Y, Wuyun = W, Daxin = D; respectively, Colbert and Hooijer, 1953; Rink *et al.*, 2008), Myanmar (Mogok = M; Colbert, 1943), Vietnam (Tham Khuyen = TK, Tham Om = TO, Hang Hum = HH, Keo Leng = KL; respectively, Olsen & Ciochon, 1990), Laos (Tam Hang = TH; Arambourg & Fromaget, 1938; Bacon *et al.*, 2008a & 2011), Cambodia (Phnom Loang = PL; Beden & Guérin, 1973), Thailand (Thum Wiman Nakin = TWN, Thum Phra Khai Phet = TPKP; Tougard *et al.*; 1996; Tougard, 1998 and 2001), Peninsular Malaysia (Tambun = T; Hooijer, 1962a), Java (Ngandong = N; van den Bergh *et al.*, 1996 & 2001).
