DISCLAIMER

The search results are based on the accuracy of these third party search engines. The search does not include results filed which are not available in digital form. Secondly, the search may not include application that have been filed but not yet published.

Please be informed that the searches are carried out with utmost care. We cannot guarantee the accuracy of the search reports, which are subjected to a number of uncertainties of legal, technical and personal nature. The searches are based on the experience and knowledge of the Patent Agent but are of a largely subjective character and can only give estimation on the legal situation and its current and future relevance for the patents. This search report shall not be the conclusive evidence of availability nor use in any court of laws. We therefore deny all liability for the results of the searches.

Should you require further information, please do not hesitate to contact us.

Yours sincerely,
TRADEMARK2U INNOVATION SDN BHD

YIP JIUN HANN, LLB.
[PATENT AGENT]
