

CONFERENCES AND PROCEEDINGS

1. 5th Australian Symposium of Ionic Liquid
3rd – 4th May 2012, Melbourne
Poster Presentation
Physicochemical investigation of binary and ternary mixtures of 1-ethyl-3-methyl imidazolium diethylphosphate (EMIM DEP), propanol and water.
2. 17th Malaysian Chemical Congress (17 MCC) 2012
15 – 17th October 2012, Kuala Lumpur
Poster presentation
Physicochemical investigation of ternary mixture of 1-ethyl-3-methyl imidazolium diethylphosphate (EMIM DEP), propanol and water.
3. 8th Mathematics and Physical Science Graduate Congress
8 – 10th December 2012, Bangkok
Oral Presentation
The role of hydrogen bonding by protic ionic liquid in driving phase separation or phase miscibility in UCST-type phase ternary mixture.
4. International Conference of Ionic Liquids 2013 (ICIL'13)
11 – 13th December 2013, Langkawi
Poster Presentation
The role of hydrogen bonding by protic ionic liquid in driving phase separation or phase miscibility in UCST-type phase ternary mixture.
