All praises to Allah, Lord of the universe. Salutation of peace upon the noble Prophet Muhammad, also to his family and companions and those who follow his path.

First of all, all praises to Allah, the One who Responds and the all-Hearing God who always hear my prayers and for His grace and bless so this work can be done.

I would like to thank especially to my supervisor, Professor Dato' Dr. Mohd Zambri bin Zainuddin, for encouragements and guidance hence I was nothing but a humble student who are eager to gain knowledge. Also thanks to the family of the Space Physics Laboratory, Mdm. Saedah Haron, Dr. Nazhatulshima Ahmad, Mr. Joko Satria, Mr. Chin Wei Loon and Mr. Muhammad Shamim Shukor, Mr. Mohammaddin Abdul Niri and Dr. Mohd Saiful Anwar Mohd Nawawi as they filled the day with work and rest, joy and anger, pleasure and anxious, stress and laughter, assistance and management since the day I enter the laboratory until this moments. You all are nothing but a big warm family.

Not forgotten to my beloved parents, Mohd Saadon Md Long and Siti Hajar Subari for their love, motivations and encouragements since the day I was born. May Allah bless both of you.

Also, I wish to thank to everyone in the Department of Physics, the lecturers, the supporting staffs and the students for the smiles, the hello and the warmth of belonging.

Last but not least, a special appreciation is dedicated also to all of my friends, especially to the Dwellers of Pantai Dalam and the members of Facilitator Alumni Club as they are the cure to my loneliness.

Hence, thank you all.
