ACKNOWLEDGEMENTS

I wish to express my deepest appreciation to Assoc. Prof. Mogana Dhamotharan for her methodological guidance and invaluable advice throughout the course of this study.

I would also like to extend my gratitude to the following people who have helped to make possible the completion of this study:

1) Puan Kamsiah
2) Miss. Dwipa Pillai
3) Cik Zaidah Abdullah
4) Rosniza Rahmat

My appreciation and thanks also goes to my family in Perak for their support and encouragement in helping me to complete this piece of research work smoothly.

Lastly, I also like to express my thanks to Stamford College and all the secretarial students who were involved in this study for their cooperation in collecting data for this study.
