

## **List of Publications Arising From This Research:**

### **Publications**

1. Sze-Looi Song, Phaik-Eem Lim, Siew-Moi Phang, Weng-Wah Lee, Khanjanapaj Lewmanomont, Danilo B. Largo and Nurridan Abdul Han (2012). Microsatellite Markers from Expressed Sequence Tags (ESTs) of Seaweeds in Differentiating Various *Gracilaria* Species. *Journal of Applied Phycology*, 25, 839-846.

### **Poster Presented**

1. 60<sup>th</sup> Winter Meeting of British Phycological Society, 4-6 January 2012 at Newcastle University, UK.
2. 2<sup>nd</sup> Conference for Regional Cooperation in Ocean and Earth Science Research in South China Sea (SCS 2012), 21-24 October 2012 at Institute of Research Management and Monitoring (IPPP) building, University of Malaya.
3. 17<sup>th</sup> Biological Science Graduate Congress (BSGC), 8-10 December 2012 at Chulalongkorn University, Bangkok, Thailand – Bronze Medalist Winner for Poster Presentation (under Biodiversity Ecology and Systematics).

### **Oral Presented**

1. 16<sup>th</sup> Biological Science Graduate Congress (BSGC), 12-14 December 2011 at National University of Singapore (NUS), Singapore.
2. 8<sup>th</sup> Asia-Pacific Conference on Algal Biotechnology and 1<sup>st</sup> International Conference on Coastal Biotechnology, 9-12 July 2012 at Adelaide, Australia.
