ACKNOWLEDGMENT

In the name of Allah, Most Gracious and Merciful, I begin this thesis by addressing and thanking everyone who has been an integral part of this thesis. First and foremost, I am very grateful to the Lord of All Universes, for all His blessings. *Allah is the Light of the heavens and the earth. The example of His light is like a niche within which is a lamp, the lamp is within glass, the glass as if it were a pearly [white] star lit from [the oil of] a blessed olive tree, neither of the east nor of the west, whose oil would almost glow even if untouched by fire. Light upon light. Allah guides to His light whom He wills. And Allah presents examples for the people, and Allah is knowing of all things.* (24:35)

Without any doubt, this thesis would have not been made possible if not for many individuals of whom I share the privilege to have met in my lifetime. First of all, I would like to thank Dr. Kais Amir Kadhim, for his not only sharing his thoughts and expertise, but also for meeting the challenging demands of being my supervisor. His concerns have not only made me better as a student but also as a human being. Secondly, I would like to thank the people from JKAOA including Puan Fairus Yahya, En Zainal Abidin Hj Ali, En Sargi bin Bakam, En Mohd Jiwa, Pn Suraini and other individuals involved. Their assistance in my thesis journey has been wonderful. I would also like to thank the Mah Meri people of Pulau Carey in both Kampung Sg Bumbun and Kampung Sg Rambai especially that of Tok Batin Sidin, Tok Batin Salleh, Pn Faridah, Ajin, Daud and all the members of their family. Without them, this thesis would have not materialised, and I would like to thank them for being ever so obliging and welcoming me into their homes. Besides that, I would also like to thank Encik Rashid Isa for providing me with a wealth of information on the Mah Meri
people. This thesis also owes a lot to Dr. Rodney C. Jubilado who has helped out with the initial idea of this thesis and its formation. Thank you Sir! Thank you to Pn Zainun Awang Ngah for her encouragement to write and for all the teatime snacks! I would also like to take the time to thank the Postgraduate Faculty for facilitating me in the process of the thesis. This includes Prof. Dr. Zuraidah Mohd Don, Dr. Jawakhir Mior Jaafar, Dr. Sakina Sahuri Suffian Sahuri, Pn Noraidah Bahari, Pn Ayu Monyra Mokhtar, Pn Emi Shaqiza Azizi, and Pn Jahuri Md Din.
