

ACKNOWLEDGEMENTS

This study had not been able to be concluded without the constructive support and everlasting patience of my supervisors at the Faculty of Built Environment at University Malaya: Associate Professor Dr Yahaya Ahmad and Puan Sr Zuraini Md Ali.

I wish to thank all those who have made themselves available and given their time to help me. Specifically Puan Erne Hamzah of Majlis Bandaraya Melaka Bersejarah (MBMB). Iesnordin Hj. Malan, formerly, with the Architecture Museum in Melaka, Dr Raja Nafida Raja Shaminan of the Faculty of Built Environment of Universiti Teknologi Malaysia, Rosli Haji Nor of the Department of National Heritage, Dr Nordin Hussin of the Department of History, Political and Strategic Studies of the Universiti of Kebangsaan Malaysia, Dr Johannes Widodo of the Department of Architecture, School of Design and Environment of the National University of Singapore and Zamrul Amri bin Zakaria of the Department of Museums and Antiquities Malaysia .

I also wish to thank the staff at the Faculty of Built Environment at Universiti of Malaya who have always been so kind and helpful.

If I have forgotten to mention anyone who have been supportive and helpful to me. I hereby sincerely apologise to them.
