Actresses have nightmares too! Me? I've always been a victim of thunder thighs and chunky legs. Months of vain attempts to keep trim by dancing did nothing for me. This, coupled with my hectic schedule and diet struggles only served to discourage me further – as I always ended up exhausted and unhappy. Then I realised, "I can't be doing this forever!" So I turned to Marie France Bodyline for help. What a good move!

There, I was quickly introduced to BioThermie Plus, an excellent fat reduction programme that targets the most stubborn areas to help you shed excess pounds. The next thing I knew, I looked in the mirror one day and saw a total body transformation! Finally, I had the shapely, toned legs that I've always dreamed of.

Thanks to Marie France Bodyline, I'm now the envy of all women. And I say, "Hey, if you've got it, flaunt it!"
