

APPENDIX N: RESPONDENTS COMMENTS ON THE PROPOSED KM TOOL

Pseudonym	Group	Respondent's Code	Question	Comments
Norma	Current Student	TCS1	Q21: In your opinion, what are the strong points of the Tool?	'I really think it is a good idea to connect the HEI, industry and students together'
Suzan	Graduated Student	TGS1	Q19. What do you think is the best aspect of this system, and why?	'As I see the system as a whole, I feel those information provided by industry to HEI will help to enhance the curriculum review process'
Letchu	Current Student	TCS2	Q21: In your opinion, what are the strong points of the Tool?	'I can assure that, with the current system proposed, the students will definitely gain benefits of the KMS system'.
Rosli		TGS2	Q19. What do you think is the best aspect of this system, and why?	'I believe that the proposed system should improve the curriculum which increase the satisfaction of the employer's need'
Kamal	Current Student	TCS3	Q21: In your opinion, what are the strong points of the Tool?	'I have no doubt that the system is a good system which will be helpful for this faculty and any other HEI'
Dr.Vani	Academic Staff	THEIA1	Q21: In your opinion, what are the strong points of the Tool?	'Overall, I'm satisfied with the overall KMS system. It will be a good idea to propose this system to your faculty after completing your project'
Dr.SitiNor	Academic Staff	THEIA2	Q21: In your opinion, what are the strong points of the Tool?	'As one of the committee member for curriculum review process, I can say that your system will be very helpful for the curriculum review committee members while reviewing the curriculum processes. It gives the justification for changes in the curriculum as all the skills required in the job market are listed carefully'.

Lilian	Non-academic Staff	THEINA1	Q19: What do you think is the best aspect of this system, and why?	‘Since the KMS give the students the opportunities to see the part time jobs, I strongly feel that the students should take this opportunity to look for part time job which provides them hands-on experience’
Payee	Non-academic Staff	THEINA2	Q21: In your opinion, what are the strong points of the Tool?	‘If the KMS used accordingly, it will provide benefits from many aspects to the HEI’
Salwah	Employer	TE1	Q19. What do you think is the best aspect of this system, and why?	‘I think it is a good idea to propose KMS in curriculum review process. If the Industry and HEI work together, it will definitely help HEI in the curriculum review processes’
Mizah	Employer	TE2	Q21: In your opinion, what are the strong points of the Tool?	If both HEI and industry are active in sharing information, it will help HEI to produce graduates with most demanded competencies by the industry in the job market.
Ling Ling	Employer	TE3	Q21: In your opinion, what are the strong points of the Tool?	‘I’m happy with your proposed KMS system. It should help HEI’
