

## ACKNOWLEDGEMENT

I wish to express my gratitude to my supervisor Professor Dr. Abdul Kariem Bin Mohd Arof for his tremendous support and contribution throughout this research work. Without his help and contribution this work would not have been completed. I am humbly thankful to him for his supervision and attention. Thank You so much for being understanding and supportive.

I wish to thank my co-supervisor, Dr. S. Ramesh for his guidance and support towards the completion of this research. I am grateful towards him for his help and advices.

I also show my gratitude to my friends and all who helped me one way or other especially Mr Thomson, Ms Sim and Ms Mazni for their cooperation.

To Encik Ismail Che Lah (assistant science officer) thanks for his kindness and cooperation for helping me towards completing my research.

Last but not least, to my family for their patience and support this strengthens my dream of completing this research.
