ACKNOWLEDGEMENT

My gratitude goes to my supervisor, Dr .Noor Azina Bte Ismail for her guidance and helpful suggestions that has enabled me to finish this research paper on the stipulated time.

I would like to thank the staff of the General Hospital of Kuala Lumpur for giving me permission to use and analyze the survey and their support and helpful assistance.

My special thanks and deepest gratitude goes to my friend, Ms Santha for giving me the encouragement and support that I really needed to complete this paper. Thank you.

To my parents and family, thanks for all the support and blessings.

Finally, my utmost appreciation to my husband Narendran for being understanding and giving me the constant push and emotional support and love too. This paper is dedicated to the love of my life, my angel daughter, Nethraa. Love Mom!
