

ACKNOWLEDGEMENT

First and foremost, I would like to express my sincere gratitude and thanks to my supervisor, Prof. Dr. Ong Seng Huat for his continuous guidance, encouragement, and utmost patience throughout the entire period of the research. Many thanks also to the Institute of Mathematical Sciences, University of Malaya for providing the facilities and financial support in order for this research to proceed smoothly.

I also wish to thank my dear wife, Ooi Yen, for giving me the liberty to pursue my interests. Furthermore, I am deeply indebted to my father for his patience and understanding throughout my studies.

Last but not least, I would like to express my heartfelt thanks to my fellow colleagues and friends who have given countless advices, supports and encouragements.
