

## **Acknowledgements**

I am indebted particularly to Associate Professor Dr. Ngeow Wei Cheong who not only read, commented and advised during the writing of this dissertation but also provided the mainstay of my support. His help and wealth of experience were invaluable.

Grateful thanks to Professor Zainal Ariff for his advice, cooperation and assistance rendered in his capacity as the Head Department of Oral & Maxillofacial Surgery, Dental Faculty, UM.

I am also indebted to my other teachers - Prof. Dr. Ong Siew Tin, A/P Dr. Shan, Dr. Ismadi and Dr. Siti for their valuable advice throughout this research work.

The Ministry of Health for giving me the opportunity to pursue post graduate education

A special thanks to Dr. Christopher Vincent and Dr. M. Thomas Abraham for all the supports and encouragement.

My thanks also to my colleagues – Dr. Arad, Dr. Khairul, Dr. Alaudin, Dr. Rithuan, Dr. Hanim, Dr. Nury and Dr. Liza for their kind help and assistance.

Last, but by no means least, a special thank to my beloved husband, my parents and my sister for their moral support and also not forgetting our beloved precious Haziq Nabil and Hadif Danish, whom are my source of inspiration during those difficult times. Their patience and understanding is greatly appreciated. May Allah blessings are always with all of you.
