Acknowledgement

I would like to take this opportunity to express my deep gratitude to my supervisor, Puan Karen Yong Siew Peng for her guidance, advice and valuable suggestions in preparing this study. I shall always be indebted to her for the time she has given me to make this piece of work a successful one.

I would also like acknowledge with gratitude and deep appreciation the help and cooperation given to me by the Assistant Manager of Tuan Mee Division, Mr. Santhana Krishnan. Without his help I would not have been able to obtain most the information and data needed for htis study. Thanks is also due to Mr. Satish Veloo, the conductor in Caledonian Division, for his help in conducting the survey.

I wish to extend my sincere thanks to Unit Kependudukan University Malaya for providing an internship. This internship was valuable in financing the various cost involved in completing this graduation exercise.

I extend my thanks to the residents of Tuan Mee Division and Caledonian Division for their cooperation and invaluable time.

I am also grateful to Miss Sugunthi Gnanasegaram my course mate for the help tendered. Finally to the typist Mrs. Fatimah Josephnathan and Mr. Benjamin my warmest thanks for their help and understanding.

Not to be forgotten to those who have contributed in one way or another in lightening the burden of my research. To them, my warmest regards.
