Professor Dr. Anita Woolfolk,

I am Shafinaz Bt A. Maulod a doctoral student at University of Malaya, Kuala Lumpur, Malaysia working on Educational Leadership. My research is on exploring the relationship between Principal Instructional Leadership behavior and teacher efficacy. I would like to use the Teachers' Sense of Efficacy Scale developed by you to identify the relationship between these two variables. I am requesting your permission to use the instrument and would appreciate a written electronic response indicating such for the appendix of my dissertation. For electronic reply I can be contacted at finazmaulod@gmail.com

Thank you for your time and consideration of this request.

Yours Sincerely,

SHAFINAZ BT A. MAULOD
