AKNOWLEDGMENTS

I profoundly thank the following people for making this piece of work possible.

In completing this thesis, I have had so much help from my supervisor, Dr Siti Rohani Yahya. My special thanks and greatest gratitude goes to her for all her invaluable assistance and guidance to complete this piece of work.

I would like to express my heartfelt gratitude to my beloved husband, Paramalingam.D for his understanding, continuous support and inspiration for without his support this piece of work wouldn't have possibly materialized. I would like to extend my sincere thanks to my parents for all their encouragement and help throughout the duration of my study. Thanks to all my friends, the library of University Malaya, Statistics Department of Malaysia. I shall cherish all the help extended.

I would like to dedicate this work to my loving son, Dayaanand, who has indirectly been a source of inspiration in every aspect involved in completing this piece of work.
