I wish to express my thanks to all those who gave me their help during the survey. Without their cooperation this exercise could not have been written. I feel a particular debt to Inche Osman bin Mat Diah, Chairman of the Kaspong Di-Pantai Bencurah Cooperative; Inche Muhammad, Secretary of the Seberang Ghe' Lot Cooperative; and Inche Osman bin Ali.

I am also grateful to the members of the staffs of R.I.D.A. and the Cooperative Department for supplying me with invaluable data and information.

Lastly, I must also express my thanks to Ungku A. Axis for his advice and helpful supervision, and to Mr. Lim Chong Yeh and Dr. D. W. Brown for their help in reading the original copy of the exercise and offering valuable suggestions.
