APPENDICES 47

Acknowledgement

The research has been a great learning experience for me in the field of Finance, particularly in mergers and acquisitions. Additionally, I have gained great insights in the telecommunications industry in Malaysia.

Several people have provided me with incredible help in finishing the research project. I would like to thank Professor Sivalingam for his guidance throughout the period of my research. Many thanks also to the Office of Universiti Malaya Graduate School of Business that has made the whole process easier.

List of Figures

CHAPTER 4:

- Figure 4.1 Market Shares in the Cellular Market Year 2000
Figure 4.2 Market Shares in the Cellular Market Year 2001
Figure 4.3 Market Shares in the Cellular Market Year 2002
