A RESEARCH PAPER SUBMITTED TO
THE FACULTY OF ECONOMICS AND ADMINISTRATION,
UNIVERSITY OF MALAYA
IN PARTIAL FULFILLMENT FOR
THE DEGREE OF MASTER OF ECONOMICS.

MALAYSIA - 1995

ACKNOWLEDGEMENTS

I wish to express my sincere gratitude to my supervisor, Associate Professor Dr. Pazim @ Fadzim Othman for his guidance and help in completing this study. Despite his heavy duty, he was very generous in giving his time in assisting me.

I am also very grateful to all my Professors, lectures and the staff of the Faculty of Economics and Administration, University of Malaya for teaching me and providing me with services and assistance during my course of study.

My utmost gratitude and thanks also to the Malaysian Government for the financial assistance rendered in the form of a scholarship for my two years of study.

I also would like to thank my friends, Mr. and Mrs. Dorai - Lilian, for their contribution to this study and their help during my living period in Malaysia.

Finally, I am very grateful to my parents, wife and children who have given me tremendous encouragement and support throughout my course of Master programme.
