## ACKNOWLEDGEMENTS

I wish to express my sincere gratitude to my supervisor, Associate Professor Dr. Mahani Zaial Abidin for her guidance and help in completing this study. Despite her heavy duty, she was very generous in giving her time in assisting me.

I am also very grateful to all my Professors, lectures and the staff of the Faculty of Economics and Administration, University of Malaya for teaching me and providing me with services and assistance during my course of study.

My utmost gratitude and thanks also to the Malaysian Government for the financial assistance rendered in the form of a scholarship for my two years of study.

I also would like to thank my friends Mr. and Mrs. Dorai - Lilian for their contribution to this study and their help during my period living in Malaysia.
